Armor All AM010040

Armor All Original Protectant Pump 4 oz User Manual

Brand: Armor All | Model: AM010040

INTRODUCTION

Your vehicle is exposed to dirt, grime and harmful elements like UV rays and oxidation every day. Count on Armor All, the undisputed leader in car care, to help keep your vehicle looking as good as the day you bought it. We have designed our proprietary Original Protectant formula to meet even the highest standards. Other products may call themselves protectant, but only one can call itself Armor All.

KEY FEATURES

- Cleans away dirt, dust and debris
- Helps prevent cracking, fading, discoloration and premature aging
- Enhances your vehicle's deep, rich look and adds beautiful shine
- Helps renew and revitalize vinyl, rubber and plastic

SETUP AND PREPARATION

Before applying Armor All Original Protectant, ensure the surface is clean and dry. For best results, use an automotive interior cleaner to remove any loose dirt or debris.

Shake the bottle well before use to ensure the formula is properly mixed.

APPLICATION INSTRUCTIONS

1. **Spray Application:** Spray Armor All Original Protectant directly onto a clean cloth or sponge. Avoid spraying directly onto surfaces, especially near glass or painted areas, to prevent overspray.
2. **Wipe Evenly:** Apply the product evenly to the desired surface (vinyl, rubber, or plastic). Ensure complete coverage for uniform protection and shine.
3. **Remove Excess:** Wipe off any excess product with a clean, dry cloth. This helps prevent streaking and ensures a natural, non-greasy finish.
4. **Repeat as Needed:** For continued protection and shine, reapply regularly.

Recommended Surfaces:

- Vinyl dashboards and door panels
- Rubber trim and seals

- Plastic interior components

Caution: Do not use on glass, painted surfaces, fabric, or floors. Avoid use on surfaces where slipperiness may be hazardous (e.g., steering wheels, foot pedals, motorcycle seats, bicycle seats).

MAINTENANCE

Store the product in a cool, dry place away from direct sunlight and extreme temperatures. Keep the cap tightly closed when not in use.

TROUBLESHOOTING

Streaks or Uneven Finish:

If streaks or an uneven finish appear, wipe the affected area immediately with a clean, dry microfiber cloth. Ensure you are not applying too much product.

Product Residue:

If excess product leaves a residue, lightly dampen a clean cloth with water and wipe the surface, then buff dry with another clean cloth.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Armor All
Item Model Number	AM010040
Item Weight	4 Ounces
Capacity	4 ounces (118 mL)
Product Dimensions	10.8 x 7.7 x 7.3 inches
UPC	070612100405
Manufacturer	Armor All
Date First Available	October 29, 2008

IMPORTANT SAFETY INFORMATION

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

Warning: Keep out of reach of children. Avoid contact with eyes and prolonged contact with skin. In case of eye contact, flush thoroughly with water. If irritation persists, seek medical attention. Do not ingest. If swallowed, call a Poison Control Center or doctor immediately.
