Ferplast CAGE REKORD 1

Ferplast CAGE REKORD 1 Small Animal Cage Instruction Manual

Model: CAGE REKORD 1 | Brand: Ferplast

1. Introduction

This manual provides detailed instructions for the assembly, use, maintenance, and troubleshooting of your new Ferplast CAGE REKORD 1 small animal cage. Please read these instructions carefully before setting up and using the cage to ensure the safety and well-being of your pet.
The Ferplast CAGE REKORD 1 is designed to provide a comfortable and secure habitat for small animals, featuring a multi-level design and essential accessories.

2. Safety Instructions

- Always supervise children when they are near the cage and pet.
- Ensure all cage components are securely fastened to prevent escapes or injuries.
- Place the cage on a stable, level surface away from direct sunlight, drafts, and extreme temperatures.
- Regularly inspect the cage for any damaged parts and replace them immediately.
- This cage is intended for indoor use only.
- Do not use harsh chemicals for cleaning; use pet-safe cleaners.

3. Package Contents

Please verify that all the following components are included in your package:

- 1 x Cage structure (base, wire mesh, clips)
- 1 x Feeder
- 1 x Water Bottle
- Additional accessories for multi-level setup (if applicable to your specific model variant)

4. Setup

Follow these steps to assemble your Ferplast CAGE REKORD 1:

1. **Unpack Components:** Carefully remove all parts from the packaging. Check for any damage during transit.
2. **Assemble the Base:** Place the plastic base on a flat, stable surface.
3. **Attach Wire Mesh:** Position the wire mesh structure onto the base, ensuring it aligns correctly with the grooves or attachment points.
4. **Secure Clips:** Use the provided clips to firmly attach the wire mesh to the plastic base. Ensure all clips are engaged to prevent the cage from separating.
5. **Install Internal Accessories:** Attach the feeder and water bottle to the wire mesh at appropriate heights for your small animal. If your model includes shelves or ramps, install them according to the visual guides.

5. Operating (Usage)

- **Placement:** Choose a quiet, safe indoor location for the cage, away from direct sunlight, drafts, and loud noises.
- **Bedding:** Line the cage base with appropriate small animal bedding material.
- **Food and Water:** Fill the feeder with suitable small animal food and ensure the water bottle is filled with fresh, clean water daily. Check for leaks.
- **Introducing Your Pet:** Gently place your small animal into the cage. Allow them time to explore and adjust to their new environment.
- **Interaction:** Provide opportunities for safe interaction and exercise outside the cage, if appropriate for your pet species.

6. Maintenance

- **Daily Cleaning:** Remove soiled bedding, replenish food, and refresh water daily.
- **Weekly Deep Cleaning:** Once a week, remove your pet, empty all bedding, and thoroughly clean the cage base, wire mesh, and accessories with warm water and a pet-safe disinfectant. Rinse thoroughly and dry completely before reassembling and adding fresh bedding.
- **Accessory Cleaning:** Regularly clean the feeder and water bottle to prevent bacterial growth.
- **Inspection:** Periodically check all cage parts for wear, damage, or rust. Replace any compromised components to maintain a safe environment.

7. Troubleshooting

- **Cage not assembling correctly:** Ensure all parts are aligned according to the setup instructions. Check that clips are fully engaged. If a part seems bent or damaged, contact customer support.
- **Water bottle leaking:** Check that the nozzle is securely tightened and that the bottle is filled completely to create a vacuum seal. Ensure the ball bearing is free to move.
- **Pet seems uncomfortable:** Ensure the cage is placed in a quiet, stable environment. Check that bedding is clean and sufficient, and that food and water are readily available. Consider adding enrichment items suitable for your pet.
- **Difficulty cleaning:** For easier cleaning, disassemble the cage by unclipping the wire mesh from the base. This allows for thorough washing of both parts.

8. Specifications

Model Name	CAGE REKORD 1
Brand	Ferplast
Item Model Number	8010690037363
Product Dimensions	19.69 x 19.69 x 15.75 inches (50 x 50 x 40 cm)
Item Weight	4.41 pounds (2 kg)
