Hot Wheels 1999 First Editions 1970 Chevelle SS Instruction Manual

Model: 1970 Chevelle SS | Brand: Hot Wheels

1. PRODUCT OVERVIEW

This manual provides essential information for the Hot Wheels 1999 First Editions 1970 Chevelle SS die-cast model. This collectible item is part of the 1999 First Editions series, specifically item number 4 of 26, and is designated as Collector #915. It features a detailed replica of the 1970 Chevelle SS in a blue finish with distinctive racing stripes.

This image displays the Hot Wheels 1999 First Editions 1970 Chevelle SS die-cast model, still sealed in its original blister packaging. The car is blue with white racing stripes on the hood and trunk. The packaging indicates it is '4 of 26' in the 1999 First Editions series and is Collector #915.

2. SETUP AND DISPLAY

The Hot Wheels 1970 Chevelle SS is designed as a collectible item. No assembly is required. To set up for display:

1. **Unboxing:** Carefully remove the die-cast car from its packaging. Preserve the packaging if you intend to maintain its collectible value.
2. **Placement:** Place the model on a stable, flat surface. Consider a display case to protect it from dust and accidental damage.
3. **Environment:** Avoid direct sunlight, extreme temperatures, and high humidity, which can affect the paint finish and material integrity over time.

3. HANDLING AND OPERATION

This die-cast model is primarily for display and light handling. While durable, it is not intended for rough play.

- **Gentle Handling:** When moving or repositioning the model, hold it by the body rather than delicate parts like mirrors or spoilers (if present).
- **Movement:** The wheels are functional, allowing the car to roll smoothly on flat surfaces.

4. MAINTENANCE AND CARE

Proper care will help maintain the appearance and condition of your collectible.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust or smudges, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid Chemicals:** Do not use harsh cleaning agents, solvents, or abrasive materials, as these can damage the paint or plastic components.
