Birds Choice NP3005 Supper Dome Bird Feeder Instruction Manual

Model: NP3005 | Brand: Birds Choice

[Introduction](#) [Safety Information](#) [Product Components](#) [Setup & Installation](#) [Operation](#) [Maintenance](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

The Birds Choice NP3005 Supper Dome Bird Feeder is designed to attract a variety of wild birds to your yard. Constructed from high-impact polycarbonate, this feeder features a weather-resistant dome to keep feed dry and protected. It includes two separate compartments, a base, and suet log holders, allowing for diverse feeding options such as mealworms, peanuts, sunflower seeds, fruit, jelly, or safflower. Its thoughtful design aims to provide a stable and comfortable feeding experience for birds year-round.

2. SAFETY INFORMATION

WARNING: This product may expose you to chemicals including lead, phthalates, and BPA, which are known to the State of California to cause cancer and reproductive harm. For more information, go to www.p65warnings.ca.gov/.

3. PRODUCT COMPONENTS

The Birds Choice NP3005 Supper Dome Bird Feeder includes the following components:

- **Supper Dome:** The main clear polycarbonate dome that protects the feeding area.
- **Adjustable Collar:** Used to adjust the height of the dome.
- **Base:** The primary feeding tray with two separate compartments.
- **Coated-Wire Suet Holders:** Two removable holders designed for suet cakes or other block feeds.

- **Hanging Hook:** For suspending the feeder.

4. SETUP & INSTALLATION

The Birds Choice NP3005 Supper Dome Bird Feeder is designed for easy assembly and installation. Follow these steps to set up your feeder:

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure you have the dome, adjustable collar, base, and two suet holders.
2. **Assemble the Feeder:** The main structure of the feeder (dome, adjustable collar, and base) typically comes pre-assembled. If not, slide the adjustable collar onto the central rod, then place the dome on top, securing it with the

provided hardware.

3. **Attach Suet Holders:** The two coated-wire suet holders can be attached to the sides of the base. They are designed to be removable for easy refilling.
4. **Select Location:** Choose a suitable location for your bird feeder. It should be in a quiet area, away from predators, and visible from your home for optimal bird watching. Ensure it is easily accessible for refilling and cleaning.
5. **Hang the Feeder:** Use the integrated hanging hook to suspend the feeder from a sturdy branch, shepherd's hook, or other appropriate fixture. Ensure the feeder hangs level and is at a height that is convenient for you to access but safe from ground predators.

5. OPERATION (FILLING & PLACEMENT)

The Supper Dome feeder is versatile and can accommodate various types of bird feed:

- **Seed Compartments:** The central base features two separate compartments for different seed types. Fill these with mealworms, peanuts, sunflower seeds, safflower, or any preferred seed blend.
- **Suet Holders:** Insert standard suet cakes or seed blocks into the removable coated-wire holders. These are ideal for attracting woodpeckers, chickadees, and nuthatches.
- **Specialty Feeds:** The feeder can also dispense fruit or jelly, attracting birds like orioles.

The weather-resistant dome helps keep the feed dry and protected from the elements, ensuring fresh food for the birds and reducing waste. The "Easy-Refill Top" design simplifies the process of adding new feed without extensive disassembly.

6. MAINTENANCE

Regular cleaning of your bird feeder is essential to prevent the spread of disease among birds and to ensure the longevity of the product. Follow these guidelines for maintenance:

- **Weekly Cleaning:** At least once a week, empty any old feed. Disassemble the feeder as needed (removing suet holders and lifting the dome).
- **Washing:** Wash all components with a solution of one part bleach to nine parts hot water, or use a mild soap. Scrub thoroughly to remove any mold, droppings, or caked-on food.
- **Rinsing:** Rinse all parts thoroughly with clean water to remove any cleaning solution residue.
- **Drying:** Allow all parts to air dry completely before refilling and reassembling the feeder. This prevents mold and

bacterial growth.

- **Material Care:** The high-impact polycarbonate and coated-wire materials are durable and weather-resistant, designed not to warp or absorb water, making cleaning straightforward.

7. SPECIFICATIONS

Feature	Detail
Brand	Birds Choice
Model Number	NP3005
Target Species	Bluebird (suitable for all bird types)
Material	High-Impact Polycarbonate (PC)
Special Feature	Easy-Refill Top, Weather-Resistant Dome
Mounting Type	Hanging Mount
Product Dimensions	10.5"L x 10.5"W x 13.5"H
Power Source	Manual
Included Components	Feeder (Dome, adjustable collar, base, suet log holders)
Color	Clear
Item Weight	0.01 Ounces
UPC	789453300218

8. WARRANTY & SUPPORT

For information regarding product warranty, returns, or customer support, please refer to the retailer's return policy or contact Birds Choice directly. The standard return policy for this product is 30 days for refund/replacement.

Manufacturer: Bird's Choice
