1. INTRODUCTION

This manual provides essential information for the safe and effective use of the E45 200ml Dermatological Dry Scalp Shampoo. Please read these instructions carefully before first use and retain for future reference.

The E45 Dry Scalp Shampoo is formulated to gently cleanse and provide relief for dry, itchy, and flaky scalps, including those with dandruff. It contains Pro Vitamin B5 to help care for and protect hair, and is perfume-free and dermatologically tested.

2. SETUP

No specific setup is required for this product. Ensure the product is stored in a cool, dry place, away from direct sunlight and out of reach of children.

3. OPERATING INSTRUCTIONS

Follow these steps for optimal use of the E45 Dry Scalp Shampoo:

1. **Wet Hair:** Thoroughly wet your hair with warm water.
2. **Apply Shampoo:** Apply a sufficient amount of shampoo to your scalp.
3. **Massage:** Gently massage the shampoo into your scalp, ensuring coverage of any affected areas.
4. **Leave On:** Allow the shampoo to remain on your scalp for a short period as directed by your healthcare professional or product packaging.
5. **Rinse:** Rinse your hair and scalp thoroughly with water until all shampoo is removed.

6. **Repeat (if necessary):** Repeat the application if desired or as instructed.

Important Usage Information:

- Suitable for everyday use on all hair types.
- Especially formulated to provide effective relief to dry, itchy, flaky scalps.
- Can be used for more serious scalp conditions.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

4. MAINTENANCE

To maintain product efficacy and safety:

- Store the shampoo at room temperature, away from extreme heat or cold.
- Keep the bottle cap securely closed when not in use to prevent contamination.
- Do not dilute the product.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
No improvement in scalp condition	Inconsistent use, severe condition, or product not suitable for individual.	Ensure regular use as directed. If condition persists or worsens, consult a healthcare professional.
Scalp irritation or allergic reaction	Individual sensitivity to an ingredient.	Discontinue use immediately. Rinse scalp thoroughly. If irritation persists, seek medical advice. Review the ingredients list for known allergens.
Product packaging differs from image	Manufacturer updates packaging periodically.	This is normal. The product formulation remains consistent unless otherwise stated.
