Telestrations Original Instruction Manual

The Telephone Game Sketched Out!

Product Overview

Telestrations is a hilarious party game that transforms the classic "telephone game" into a visual experience. Players draw what they see, then guess what they saw, leading to unpredictable and often comical outcomes. It's designed for family parties, fun with friends, or entertaining a crowd, and requires no prior drawing skills.

Setup

Setting up Telestrations is quick and easy, allowing you to jump straight into the fun:

1. Distribute one erasable sketch book, one dry erase marker, and one clean-up cloth to each player.
2. Place the word cards and the 60-second sand timer in a central location accessible to all players.
3. Each player takes a word card. A roll of the die determines each player's secret word from their card.
4. Ensure all sketchbooks are clean and ready for drawing.

Operating Instructions

Telestrations is played in rounds where players alternate between drawing and guessing. The goal is to have fun and enjoy the hilarious miscommunications that arise.

1. **Draw Your Word:** Once each player has their secret word, the timer is turned, and everyone draws their word in their sketchbook.
2. **Pass and Guess:** After 60 seconds, everyone passes their book to the player on their left. Each player then takes a few seconds to guess in words what they see in the received drawing, writing their guess in the sketchbook.
3. **Pass and Draw Again:** The timer is turned again, and everyone draws the guess they just read. This cycle of passing, guessing, and drawing continues until each sketchbook returns to its original owner.
4. **The Big Reveal:** Once all sketchbooks are back, players share their books, revealing the chain of drawings and guesses. The unpredictable and often wildly different outcomes are the source of much laughter.

Maintenance

To ensure the longevity and continued enjoyment of your Telestrations game, follow these simple maintenance tips:

- **Clean Sketchbooks:** After each game, use the provided clean-up cloths to thoroughly erase all drawings and writings from the erasable sketch books. This prevents ghosting and ensures a fresh start for the next game.
- **Marker Care:** Always cap the dry erase markers tightly after use to prevent them from drying out. Store them horizontally if possible.
- **Storage:** Store all game components back in the original box in a dry, cool place to protect them from damage.

Troubleshooting

While Telestrations is designed for straightforward play, here are some common situations and their solutions:

- **Marker Not Writing:** Ensure the marker cap was replaced properly after the last use. If dry, try gently pressing the tip down on a scrap piece of paper for a few seconds to re-prime it. If it remains dry, it may need replacement.
- **Drawings Not Erasing Completely:** Use the provided clean-up cloths. For stubborn marks, a slightly damp cloth (water only) can be used, followed by drying with a clean cloth. Avoid abrasive cleaners.
- **Confusion During Play:** If players are unsure about the rules, refer to the included instruction sheet. Encourage players to embrace the "miscommunication" aspect, as it's part of the game's fun.
