Warner Manufacturing Xbox 360

Lego Rock Band - Xbox 360 Instruction Manual

Model: Xbox 360 | Brand: Warner Manufacturing

1. Introduction

Lego Rock Band for Xbox 360 combines the fun and customization of Lego with the immersive music gameplay of Rock Band. Players can create their own Lego rock band, customize characters, and perform a variety of family-friendly rock songs. This manual provides essential information for setting up, playing, and maintaining your game.

2. Setup

1. **Insert Game Disc:** Place the Lego Rock Band game disc into your Xbox 360 console's disc drive.
2. **System Requirements:** Ensure your Xbox 360 console is connected to a television and power source.
3. **Peripherals:** This game requires compatible Rock Band or Guitar Hero instrument peripherals (guitar, bass, drums, microphone) to play. Connect your desired instruments to the Xbox 360 console.
4. **Start Game:** Select the Lego Rock Band icon from the Xbox 360 dashboard to begin playing.

3. Operating Instructions (Gameplay)

Lego Rock Band offers a unique blend of music rhythm gameplay and Lego building mechanics.

- **Rhythm Gameplay:** Follow the on-screen prompts to hit notes, strum chords, or sing lyrics in time with the music.
- **Lego Studs:** Earn Lego studs by successfully playing songs. These studs are used to unlock new content.
- **Rock Power Challenges:** Engage in special Lego-themed challenges to perform unique feats and progress through the game.
- **Band Performance:** Work with your bandmates to achieve high scores and maintain your performance streak.

4. Customization

The game allows extensive customization of your band and its members:

- **Character Customizer:** Use the Lego character customizer to create and personalize your band members.
- **Instrument Customization:** Design unique instrument controllers for your band.
- **Entourage:** Customize your band's entourage.
- **Rock Shop:** Spend earned Lego studs in the 'Rock Shop' to unlock cool vehicles, new characters, and instruments.

5. Game Modes

Explore various game modes to build your band's fame:

- **Tour Mode:** Progress through a story-driven tour, completing songs and challenges to unlock new venues and content.
- **Quickplay:** Jump into any unlocked song for immediate play.

- **Difficulty Levels:** Choose from multiple difficulty settings, including a 'super easy' mode for beginners.

6. Maintenance

To ensure the longevity of your Lego Rock Band game and Xbox 360 console, follow these general maintenance guidelines:

- **Disc Care:** Handle the game disc by its edges. Store it in its original case when not in use to prevent scratches. Clean

the disc with a soft, lint-free cloth if smudges or dust appear, wiping from the center outwards.

- **Console Ventilation:** Ensure your Xbox 360 console has adequate ventilation. Do not block air vents or place the console in an enclosed space.
- **Peripheral Storage:** Store instrument peripherals in a clean, dry place away from direct sunlight and extreme temperatures.
- **Software Updates:** Periodically check for and install any available Xbox 360 system updates or game patches to ensure optimal performance and compatibility.

7. Troubleshooting

If you encounter issues while playing Lego Rock Band, consider the following troubleshooting steps:

- **Game Not Loading:** If the game does not load, ensure the disc is clean and free of scratches. Try restarting your Xbox 360 console.
- **Peripheral Connection Issues:** Verify that all instrument peripherals are correctly connected and powered on. For wireless instruments, check battery levels and ensure they are synced with the console.
- **Audio/Video Problems:** Check your TV and console connections. Ensure volume is up on your TV and any external audio systems.
- **Game Freezing/Crashing:** Save your game frequently. If the game freezes, restart the console. Ensure your console's system software is up to date.
- **Difficulty with Gameplay:** Adjust the difficulty settings in the game options if you find the rhythm sections too challenging or too easy.

8. Specifications

Feature	Detail
Number of Players	1 (Requires peripherals for full band experience)
Computer Platform	Xbox 360
Compatible Video Game Console Models	Microsoft Xbox 360, Microsoft Xbox 360 E
Rated	Everyone 10+
