1. **Choose a Challenge:** Select a challenge from the booklet. Challenges are categorized by difficulty (Starter, Junior, Expert, Master) and by "Day" (full color) or "Night" (silhouette).
2. **Arrange the Blocks:** Using the wooden blocks, stack them onto the pegs of the wooden base to replicate the image presented in the chosen challenge. Pay close attention to the shape, color, and order of the blocks.
3. **Verify Your Solution:** Once you believe you have matched the image, check your arrangement against the solution provided at the back of the challenge booklet.
