SalaGraphics CK-26

Instruction Manual for SalaGraphics We Accept VISA MasterCard Sign

Model: CK-26 | Brand: SalaGraphics

INTRODUCTION

Thank you for choosing the SalaGraphics We Accept VISA MasterCard Sign. This manual provides essential information for the proper setup, installation, care, and maintenance of your new sign. Please read these instructions carefully to ensure optimal performance and longevity of your product.

PRODUCT OVERVIEW

The SalaGraphics We Accept VISA MasterCard Sign is designed for clear display of accepted payment methods. Made from durable plastic, it is suitable for various business environments.

Key Features:

- **.060" Heavy Duty Plastic:** Ensures durability and resistance to wear.
- **UV Protected Ink:** Helps prevent fading from sun exposure, maintaining vibrant colors.
- **Exceptional Quality, Sharp Colors:** Provides clear and professional visibility.
- **Mounting Holes:** Pre-drilled for easy installation.
- **Rounded Corners:** For a finished look and safer handling.

WE ACCEPT

Alotta Signs

CK-26

This image displays the full 18x24 inch sign. The top portion features the words 'WE ACCEPT' in large blue capital letters. Below this, on the left, is the Visa logo with its blue and orange design. On the right, the MasterCard logo is shown with its interlocking red and orange circles. The sign has a white background and a blue border, indicating its professional appearance for business use.

SETUP AND INSTALLATION

This sign is designed for straightforward installation. Follow these steps for optimal placement and security:

1. **Choose Location:** Select a prominent and visible location for your sign, such as a storefront window, door, or interior wall. Ensure the surface is clean and dry.
2. **Mounting Hardware:** Acquire appropriate mounting hardware (screws, nails, or adhesive strips) suitable for your chosen surface. The sign features pre-drilled mounting holes for convenience.
3. **Secure Installation:** Align the sign with your desired position. Use the pre-drilled holes to secure the sign firmly to the surface. Ensure it is level and stable to prevent accidental dislodgement.
4. **Visibility Check:** Step back and confirm the sign is clearly visible and legible from various angles and distances relevant to your customers.

Note: For outdoor use, ensure the mounting hardware is weather-resistant.

CARE AND MAINTENANCE

To maintain the appearance and extend the life of your SalaGraphics sign, follow these simple care instructions:

- **Cleaning:** Gently wipe the sign with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid abrasive cleaners or harsh chemicals, as these may damage the sign's surface or ink.
- **Drying:** After cleaning, dry the sign with a clean, soft cloth to prevent water spots.
- **Protection:** While the ink is UV protected, prolonged exposure to extreme weather conditions (e.g.,

direct, intense sunlight for many years, heavy snow, or hail) may eventually affect its longevity. Periodically inspect the sign for any signs of wear.

- **Handling:** When moving or storing the sign, handle it carefully to avoid bending or scratching the plastic.
