Olympia J908

Olympia J908 Kristallon Polycarbonate Lid User Manual

Model: J908

Introduction

This manual provides essential information for the proper use, care, and maintenance of your Olympia J908 Kristallon White Polycarbonate Plastic Lid. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

Image: Olympia J908 Kristallon White Polycarbonate Plastic Lid. This image shows the white, round polycarbonate lid with a small handle on one side and a pouring spout on the other, designed to fit a jug.

Setup and Initial Use

The Olympia J908 lid is designed for straightforward use. Follow these steps for initial setup:

1. **Unpacking:** Carefully remove the lid from its packaging. Inspect for any signs of damage during transit.
2. **Initial Cleaning:** Before first use, wash the lid thoroughly with warm soapy water. Rinse completely and dry.

3. **Compatibility:** Ensure the lid is used with a compatible 1.4 Litre (J904) jug. The lid is specifically designed for this jug model to provide a secure fit.
4. **Placement:** Place the lid firmly onto the jug, aligning the pouring spout and handle as desired. The lid should create a secure seal to prevent spills and contamination.

Operating Instructions

The Olympia J908 lid is designed for simple and effective use in various settings.

- **Securing Drinks:** Place the lid on top of the 1.4 Litre (J904) jug to keep beverages fresh and protected from airborne contaminants. The secure fit helps maintain the quality of the contents.
- **Temperature Range:** This lid is suitable for use with liquids ranging from -40°C to +100°C (-40°F to +212°F). This makes it versatile for both cold and hot beverages.
- **Pouring:** When pouring, ensure the lid is securely in place. The integrated spout allows for controlled pouring without removing the lid.
- **Versatile Application:** Ideal for use in home kitchens, cafeterias, institutions, and other environments where beverage protection and easy serving are required.

Care and Maintenance

Proper care will extend the life of your Olympia J908 lid and ensure hygienic use.

- **Cleaning:** The lid is **glasswasher safe**. For best results, place it in a glasswasher or dishwasher. Alternatively, wash by hand with warm water and mild detergent.
- **Drying:** Allow the lid to air dry completely or dry with a clean cloth before storage to prevent water spots and bacterial growth.
- **Storage:** Store the lid in a clean, dry place when not in use.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical detergents, as these can damage the polycarbonate material.

Troubleshooting

Problem	Possible Cause	Solution
Lid does not fit securely on jug.	Incorrect jug size or model.	Ensure you are using the Olympia J904 1.4 Litre jug, for which this lid is designed.
Lid appears cloudy or stained after washing.	Hard water deposits or improper drying.	Rinse thoroughly and dry immediately after washing. Consider using a rinse aid in your dishwasher if applicable.
Lid shows signs of cracking or brittleness.	Exposure to extreme temperatures outside specified range or impact damage.	Avoid exposing the lid to temperatures below -40°C or above +100°C. Handle with care to prevent drops or impacts. Replace if damaged.
