Duravit Starck 3 SoftClose Toilet Seat with Stainless Steel Hinges

Model: 006389

Brand: Duravit

INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Duravit Starck 3 SoftClose Toilet Seat. Designed for durability and user comfort, this toilet seat features high-quality materials and a soft-close mechanism for quiet and gentle closing.

PRODUCT FEATURES

- **SoftClose Function:** Ensures the seat and lid close gently and quietly, preventing slamming and reducing wear.
- **Duroplast Material:** Constructed from high-quality Duroplast, offering scratch resistance, color fastness, and easy cleaning.
- **Stainless Steel Hinges:** Durable and corrosion-resistant hinges provide long-lasting performance.
- **Removable Seat:** The toilet seat can be easily removed with a push-button mechanism for thorough cleaning.
- **Integrated Buffers:** Provides optimal stability and prevents shifting during use.

INSTALLATION GUIDE

Follow these general steps for installing your Duravit Starck 3 toilet seat. Refer to the detailed diagrams (Figure 4) for visual guidance.

1. **Prepare the Toilet:** Ensure the toilet bowl is clean and free of any old seat residue.
2. **Assemble Hinges:** Attach the stainless steel hinges to the toilet seat according to the provided instructions.
3. **Position the Seat:** Place the assembled seat onto the toilet bowl, aligning the hinge posts with the mounting holes.
4. **Secure Mounting Hardware:** Insert the screws through the mounting holes and secure them from underneath with washers and nuts. Tighten until the seat is firm but do not overtighten.
5. **Test SoftClose:** Gently lower the seat and lid to ensure the SoftClose mechanism functions correctly.

OPERATING INSTRUCTIONS

The Duravit Starck 3 toilet seat is designed for simple and intuitive use.

- **SoftClose Operation:** To close the seat or lid, simply push it down gently. The SoftClose mechanism will engage, allowing it to lower slowly and silently on its own. Avoid forcing the seat or lid down, as this can damage the mechanism.
- **Removable Seat for Cleaning:** To remove the seat for thorough cleaning, locate the push-button release mechanisms near the hinges. Press the buttons and lift the seat straight up. Reattach by aligning the seat with the hinge posts and pressing down until it clicks into place.

MAINTENANCE AND CLEANING

To maintain the appearance and functionality of your Duravit Starck 3 toilet seat, follow these cleaning guidelines:

- **Regular Cleaning:** Clean the seat and lid regularly with a soft cloth and mild, non-abrasive cleaning agents.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong acids, alkalis, or chlorine-based products, as these can damage the Duroplast surface and hinges.
- **Drying:** After cleaning, wipe the seat and hinges dry with a soft cloth to prevent water spots and maintain shine.
- **Hinge Care:** Periodically check the hinge connections for tightness. If they become loose, gently tighten the mounting screws.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Seat or lid slams shut.	SoftClose mechanism may be damaged or obstructed.	Ensure no obstructions are present. If the mechanism is damaged, contact customer support for replacement parts.
Seat feels loose or shifts.	Mounting hardware is loose.	Gently tighten the mounting screws. Do not overtighten.
Difficulty removing seat for cleaning.	Release buttons not fully pressed or mechanism is stiff.	Ensure both release buttons are fully pressed simultaneously. Apply gentle upward pressure.
