

LEONARD 55877

Leonardo Hurricane Lamp S 55877 Instruction Manual

Model: 55877

1. INTRODUCTION

Thank you for purchasing the Leonardo Hurricane Lamp S 55877. This elegant lamp is designed to enhance your living space with its unique aesthetic and functional design. Crafted from high-quality soda glass, it serves as a decorative piece and a protective holder for candles.

Please read this manual carefully before using the product to ensure proper setup, safe operation, and optimal maintenance. Keep this manual for future reference.

2. SETUP AND PLACEMENT

1. **Unpacking:** Carefully remove the hurricane lamp from its packaging. Inspect the lamp for any signs of damage. If damage is found, do not use the product and contact customer support.
2. **Cleaning:** Before first use, gently wipe the lamp with a soft, damp cloth to remove any dust or residue from manufacturing and packaging.
3. **Placement:**
 - Place the hurricane lamp on a stable, flat, and heat-resistant surface.
 - Ensure it is away from flammable materials, curtains, or other objects that could catch fire.
 - Keep out of reach of children and pets.
 - Avoid placing in direct sunlight or near heat sources to prevent glass expansion and potential damage.

3. OPERATING INSTRUCTIONS

The Leonardo Hurricane Lamp S 55877 is designed to hold a candle, providing a safe and decorative enclosure.

1. **Selecting a Candle:** Choose a candle that fits comfortably within the lamp, ensuring there is adequate space between the flame and the glass walls. Avoid oversized candles.
2. **Inserting the Candle:** Carefully place the chosen candle into the center of the hurricane lamp.
3. **Lighting the Candle:** Use a long lighter or match to safely light the candle wick.
4. **Safety Precautions:**
 - Never leave a burning candle unattended.
 - Keep the lamp away from drafts, which can cause uneven burning or excessive heat.
 - Do not move the lamp while a candle is burning or immediately after extinguishing, as the glass may be hot.
 - Extinguish the candle before leaving the room or going to sleep.

4. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Leonardo Hurricane Lamp.

- **Cleaning:**
 - Allow the lamp to cool completely before cleaning.
 - Wipe the glass surface with a soft, damp cloth and a mild glass cleaner if necessary.
 - Avoid abrasive cleaners or scouring pads, as these can scratch the glass.
 - Dry thoroughly with a lint-free cloth to prevent water spots.
- **Handling:** Always handle the lamp with care to prevent chips or breakage.
- **Storage:** When not in use, store the lamp in a safe place where it will not be knocked over or damaged.

5. TROUBLESHOOTING

This section addresses common concerns regarding glass decorative items.

- **Glass Appears Cloudy:** This is often due to residue from cleaning products or hard water. Re-clean with a mixture of white vinegar and water, then rinse and dry thoroughly.
- **Scratches on Glass:** Minor surface scratches on soda glass are generally not repairable. To prevent scratches, avoid abrasive materials and ensure the lamp is placed on soft surfaces or coasters.
- **Breakage:** If the glass breaks, handle fragments with extreme caution. Dispose of broken glass safely according to local regulations. The lamp is made of soda glass and is not designed to withstand significant impact.

6. PRODUCT SPECIFICATIONS

Feature	Detail
