

BLANCO 441024

BLANCO STELLAR Super Single Undermount Kitchen Sink

Model: 441024

Brand: BLANCO

1. INTRODUCTION

This manual provides essential information for the installation, operation, and maintenance of your BLANCO STELLAR Super Single Undermount Kitchen Sink, Model 441024. This stainless steel sink is German engineered with 304 series, 18-gauge stainless steel, featuring 18/10 chrome-nickel content for excellent durability and corrosion resistance. Its 28" x 18" dimensions and 9-inch bowl depth are designed for practical kitchen use, maximizing storage space under the cabinet with a rear-positioned drain.

2. SAFETY INFORMATION

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation.
- Ensure all electrical and plumbing connections are performed by qualified professionals in accordance with local codes.
- Handle the sink with care to avoid injury or damage during unpacking and installation.
- Do not use harsh chemicals or abrasive cleaners on the sink surface, as this may damage the finish.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- BLANCO STELLAR Super Single Undermount Kitchen Sink (Model 441024)
- Installation instructions
- Cut-out template
- Sink clips

Note: Drain assembly is not included and must be purchased separately.

4. INSTALLATION

The BLANCO STELLAR sink is designed for undermount installation. A minimum interior cabinet space of 30 inches is required for proper fitment. Refer to the provided cut-out template for precise countertop opening dimensions.

4.1. Pre-Installation Steps

1. Unpack the sink and inspect for any shipping damage.
2. Ensure the countertop opening matches the provided cut-out template.
3. Gather all necessary tools and materials, including sealant, mounting clips, and plumbing connections.

4.2. Mounting the Sink

1. Apply a continuous bead of silicone sealant around the perimeter of the sink flange that will contact the underside of the countertop.
2. Carefully position the sink under the countertop opening, ensuring proper alignment.
3. Secure the sink to the countertop using the provided sink clips. Tighten the clips evenly until the sink is firmly seated against the countertop.
4. Wipe away any excess sealant immediately.

4.3. Plumbing Connections

1. Install the drain assembly (not included) according to its manufacturer's instructions.
2. Connect the P-trap and other plumbing components to the drain assembly.
3. Test all connections for leaks by running water through the sink.

Figure 1: BLANCO STELLAR Super Single Undermount Kitchen Sink with key dimensions. The sink measures 28 inches in width and 18 inches in depth, with a base width of 26 inches.

5. OPERATING INSTRUCTIONS

Your BLANCO STELLAR sink is designed for everyday kitchen tasks. The super single bowl design provides ample space for washing large pots, pans, and dishes. The rear-positioned drain helps maximize usable space within the sink and under the cabinet.

- Ensure the drain stopper (if installed) is open when draining water.
- For sinks equipped with a garbage disposal, follow the disposal manufacturer's instructions for safe operation.

6. MAINTENANCE AND CARE

To maintain the appearance and longevity of your BLANCO stainless steel sink, follow these care instructions:

- **Daily Cleaning:** Clean the sink with a mild dish soap and a soft cloth or sponge. Rinse thoroughly with water.
- **Preventing Water Spots:** Hand dry the sink after each use to prevent water spots and mineral buildup, especially in hard water areas.
- **Stainless Steel Cleaners:** For a deeper clean or to restore shine, use a stainless steel cleaner specifically designed for kitchen sinks. Always follow the product's instructions and wipe in the direction of the grain.
- **Avoid Abrasives:** Do not use abrasive cleaners, steel wool, or scouring pads, as these can scratch the stainless steel surface.
- **Chemicals:** Avoid contact with strong acids, bleach, or other harsh chemicals, which can cause discoloration or damage.

7. TROUBLESHOOTING

If you encounter any issues with your BLANCO sink, consider the following common points:

- **Water Spots/Stains:** These are typically caused by mineral deposits from water. Regular drying after use and occasional use of a stainless steel cleaner can prevent and remove them.
- **Scratches:** Stainless steel sinks can develop minor scratches over time with normal use. These are often superficial and can blend into the sink's finish with proper care and the use of stainless steel polish. Avoid dropping heavy or sharp objects into the sink.
- **Drainage Issues:** Ensure the drain assembly is clear of debris. If using a garbage disposal, refer to its manual for troubleshooting clogs.

For persistent issues or concerns not addressed here, please contact BLANCO customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	BLANCO
Model Number	441024
Material	304 Series, 18-Gauge Stainless Steel (18/10 Chrome-Nickel Content)
