## Resolve B000QR8UXG

# Resolve Multi-Fabric Upholstery & Carpet Stain Remover - 22 fl oz Instruction Manual

Model: B000QR8UXG

## PRODUCT OVERVIEW

The Resolve Multi-Fabric Upholstery & Carpet Stain Remover is a powerful solution designed to safely and effectively lift away dirt, tough stains, and odors from various household fabrics. This 22 fl oz spray is formulated to penetrate deep into fabric fibers, ensuring a thorough clean without fading or discoloring when used as directed. It is ideal for maintaining the cleanliness and freshness of your upholstery and carpets.

## SAFETY INFORMATION

- **KEEP OUT OF REACH OF CHILDREN.**
- **CAUTION:** May cause eye irritation. Avoid contact with eyes. Wash hands immediately after skin contact.
- **FIRST AID:** If in eyes, IMMEDIATELY rinse eyes with plenty of water. Remove any contact lenses and continue rinsing eyes for at least 15 minutes. If irritation occurs, get medical attention immediately.
- Do not mix with bleach or in conjunction with other household products.
- Not recommended for velvet, silk, vinyl, or leather.

## PRODUCT USAGE DIRECTIONS

For best results, treat stains promptly after they occur. Stains and odors are easier to remove when treated immediately.

1. **Before Cleaning:** Test a hidden section of the fabric for colorfastness. If color is affected, do not use. Look for the fabric manufacturer's cleanability code tag. Use on fabrics coded "WS" or "W". Do not use if coded "X" or "S".
2. **Remove Dirt:** Blot up any excess moisture or loose dirt with a clean, colorfast cloth or sponge.
3. **Spray:** Set the trigger nozzle to the desired position. Spray the soiled area with Resolve Upholstery Cleaner.
4. **Wait:** Allow the product to penetrate for a maximum of 5 minutes.
5. **Blot:** Blot gently with a clean, damp, colorfast sponge. Rub gently if required.
6. **Repeat:** Rinse the sponge or cloth and repeat if necessary.
7. **Finish:** Blot any excess moisture from the fabric with a clean, colorfast sponge or cloth. Do not overwet fabrics.
8. **Hint:** To avoid rings, clean the entire section where the soil occurs.

Video Description: A seller demonstrates the Resolve cleaner's effectiveness on a white rug with a visible stain. The video shows the application process and the stain removal results.

## STORAGE AND DISPOSAL

- Store in a cool, dry place away from direct sunlight and heat.
- Keep container tightly closed when not in use.
- Empty and replace sprayer.
- Bottle is not recyclable unless the label is removed. Follow local guidelines for recycling.

## TROUBLESHOOTING

Problem	Solution
Stain not completely removed.	Ensure excess dirt was removed first. Reapply the product, wait the full 5 minutes, and blot vigorously. Repeat if necessary. For old or set-in stains, multiple applications may be required.
Fabric discoloration or damage.	This product is not suitable for all fabrics (e.g., velvet, silk, vinyl, leather). Always perform a colorfastness test on a hidden area before full application.
Product leaves a ring or residue.	To avoid rings, clean the entire section of the fabric where the stain occurred, not just the spot. Ensure not to overwet the fabric and blot thoroughly.
