**Jensen CD-560**

# Jensen CD-560 Portable Stereo CD Player User Manual

Model: CD-560
Brand: Jensen

## INTRODUCTION

Thank you for purchasing the Jensen CD-560 Portable Stereo CD Player with AM/FM Stereo Radio and Bluetooth. This unit is designed to provide high-quality audio playback from various sources, including CDs, AM/FM radio, Bluetooth-enabled devices, and auxiliary input devices. Please read this manual thoroughly before operating the unit to ensure proper use and to maximize its performance.

## SAFETY INFORMATION

- **Power Source:** Operate the unit only from the power sources indicated in this instruction manual or as marked on the unit.

- **Ventilation:** Do not block any ventilation openings. Ensure adequate space around the unit for proper airflow.

- **Water and Moisture:** Do not expose the unit to rain or moisture. Do not place objects filled with liquids, such as vases, on the unit.

- **Heat:** Do not place the unit near heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.

- **Cleaning:** Unplug this product from the wall outlet before cleaning. Do not use liquid cleaners or aerosol cleaners. Use a damp cloth for cleaning.

- **Batteries:** When using batteries, ensure they are inserted with correct polarity. Do not mix old and new batteries, or different types of batteries. Dispose of used batteries responsibly.

- **Listening Volume:** Avoid listening at excessively high volume levels for prolonged periods to prevent hearing damage.

## PACKAGE CONTENTS

Please check that the following items are included in your package:

- Jensen CD-560 Portable Stereo CD Player Unit

- AC Power Cord

- Instruction Manual (this document)

## PRODUCT OVERVIEW

*Image: Front view of the Jensen CD-560 Portable Stereo CD Player. The unit is black with a foldable carrying handle on top and a telescopic antenna extending from the rear. The front features two speaker grilles on either side of a central control panel. The control panel includes a blue LED display showing '15', and various buttons with blue backlighting, including 'PROG', 'PLAY/PAUSE', 'REPEAT', 'PAIRING', and track navigation buttons. A circular play/pause button is centrally located with a blue illuminated ring. On the right side, a tuning knob and 'FM ST' indicator are visible.*

### Key Features and Controls:

- **Top-Loading CD Player:** Compatible with standard audio CDs and CD-R/RW discs.

- **AM/FM Stereo Radio:** Built-in tuner for receiving local radio stations. Features a telescopic antenna for improved reception.

- **Bluetooth Connectivity:** Supports A2DP & AVRCP profiles for wireless audio streaming from compatible devices.

- **Auxiliary Input:** 3.5mm jack for connecting external audio devices like MP3 players or smartphones.

- **Blue LED Display:** Shows CD track number and other operational information.

- **Blue Ambient Lighting:** Provides a subtle blue glow around controls.

- **Control Buttons:** Include Skip/Search (forward & back), Repeat (1 or all), Program (PROG), Play/Pause, and Pairing.

- **Foldable Carrying Handle:** For easy portability.

- **Power Options:** Operates on AC power or 8 'C' size batteries.

# Setup

## Power Connection

The CD-560 can be powered by either AC household current or batteries.

### AC Power Operation:

1. Ensure the unit's power switch is in the OFF position.
2. Insert the AC power cord into the AC jack located on the back of the unit.
3. Plug the other end of the AC power cord into a standard AC 120V~60Hz wall outlet.

### Battery Power Operation:

1. Open the battery compartment door located on the bottom of the unit.
2. Insert 8 'C' size (UM-2) batteries (not included) into the compartment, observing the correct polarity (+ and -) as indicated inside the compartment.
3. Close the battery compartment door securely.

*Note: Disconnect the AC power cord when operating on batteries to prevent battery drain.*

## Antenna Adjustment

For optimal FM radio reception, fully extend the telescopic antenna. For AM reception, the unit has a built-in ferrite bar antenna, which is directional. Rotate the unit for the best AM reception.

# Operating Instructions

## General Controls

- **Power ON/OFF:** Use the main power switch to turn the unit on or off.
- **Function Selector:** Use the selector switch to choose between CD, AM, FM, Bluetooth, or AUX modes.
- **Volume Control:** Rotate the volume knob to adjust the sound level.

## CD Playback

1. Set the Function Selector to 'CD'.
2. Open the CD compartment door by gently lifting the 'OPEN/CLOSE' area.
3. Place a CD (label side up) onto the center spindle.
4. Close the CD compartment door firmly.
5. The CD will begin playing automatically. If not, press the **PLAY/PAUSE** button.
6. **PLAY/PAUSE:** Press to pause playback, press again to resume.
7. **SKIP/SEARCH:** Press the **SKIP FORWARD** ( ► ► ) or **SKIP BACKWARD** (◄◄) buttons to skip to the next or previous track. Press and hold to search rapidly through the current track.
8. **REPEAT:** Press the **REPEAT** button once to repeat the current track. Press again to repeat all

tracks on the CD. Press a third time to cancel repeat mode.

9. **PROGRAM:** To program tracks for playback, press the **PROG** button while the CD is stopped. Use the SKIP buttons to select a track, then press PROG again to confirm. Repeat for up to 20 tracks. Press PLAY/PAUSE to start programmed playback.

## AM/FM Radio Operation

1. Set the Function Selector to 'AM' or 'FM'.

2. Extend the telescopic antenna for FM reception.

3. Rotate the **TUNING** knob to select your desired radio station.

4. The 'FM ST' indicator will illuminate when a strong FM stereo signal is received.

## Bluetooth Operation

1. Set the Function Selector to 'Bluetooth'. The unit will enter pairing mode, and the 'PAIRING' indicator will flash.

2. Enable Bluetooth on your external device (e.g., smartphone, tablet) and search for available devices.

3. Select 'Jensen CD-560' from the list of found devices.

4. Once paired, the 'PAIRING' indicator will stop flashing and remain solid. You can now play audio from your Bluetooth device through the CD-560.

5. Use the controls on your Bluetooth device or the CD-560 (Play/Pause, Skip) to control playback.

## Auxiliary Input

1. Set the Function Selector to 'AUX'.

2. Connect one end of a 3.5mm audio cable (not included) to the AUX IN jack on the CD-560.

3. Connect the other end of the cable to the headphone jack or audio output of your external audio device.

4. Play audio from your external device. The sound will be output through the CD-560 speakers.

## MAINTENANCE

### Cleaning the Unit

Wipe the exterior of the unit with a soft, damp cloth. Do not use abrasive cleaners or solvents, as they may damage the finish.

### CD Lens Care

A dirty CD lens can cause skipping or playback errors. Use a specialized CD lens cleaner disc to clean the lens periodically. Do not touch the lens with your fingers.

### Battery Replacement

When the unit's performance degrades or the sound becomes distorted during battery operation, it's time to replace the batteries. Follow the battery power operation steps in the Setup section to replace

all 8 'C' size batteries.

## TROUBLESHOOTING

| Problem | Possible Cause | Solution |
| --- | --- | --- |
| Unit does not power on. | AC cord not properly connected; Batteries are dead or inserted incorrectly. | Check AC cord connection; Replace batteries or ensure correct polarity. |
| CD skips or does not play. | CD is dirty or scratched; CD lens is dirty; CD is inserted incorrectly. | Clean or replace CD; Use a CD lens cleaner; Reinsert CD correctly. |
| Poor radio reception. | Antenna not extended; Unit position. | Fully extend FM telescopic antenna; Rotate unit for better AM reception. |
| Bluetooth device cannot pair. | Unit not in pairing mode; Device too far; Bluetooth on device is off. | Ensure unit is in Bluetooth mode and 'PAIRING' flashes; Move device closer; Enable Bluetooth on your device. |
| No sound from AUX input. | Cable not connected properly; Volume too low on external device. | Check 3.5mm cable connection; Increase volume on external device. |

## SPECIFICATIONS

| Feature | Detail |
| --- | --- |
| Model Number | CD-560 (1854390) |
| Power Source | AC 120V~60Hz or 8 x 'C' (UM-2) Batteries |
| Output Power | 2 x 1.5W RMS |
| CD Compatibility | CD, CD-R/RW |
| Bluetooth Version | Supports A2DP & AVRCP |
| Auxiliary Input | 3.5mm Stereo Jack |
| Product Dimensions (L x W x H) | 12 x 10.1 x 5.6 inches |
| Item Weight | 6 pounds |
| Color | Black |

## WARRANTY AND SUPPORT

Jensen products are designed for reliability and performance. For warranty information or technical support, please refer to the warranty card included with your purchase or visit the official Jensen website. Keep your purchase receipt as proof of purchase for any warranty claims.

For further assistance, you may also contact Jensen customer service directly through their official channels.
