# Carhartt Men's Loose Straight Washed Duck Double-Front Dungaree (Model B236) Instruction Manual

Brand: Carhartt | Model: B236

## INTRODUCTION

The Carhartt Men's Loose Straight Washed Duck Double-Front Dungaree, Model B236, is engineered for durability and comfort in demanding work environments. Constructed from heavyweight 12-ounce, 100 percent ring-spun cotton duck, these dungarees are designed to withstand rigorous use while providing a comfortable fit. They feature chap-style leg panels and double knees with cleanout bottoms, allowing for the insertion of knee pads for added protection. The design sits at the natural waist and offers a full seat and thigh for unrestricted movement. Practicality is enhanced with multiple tool and utility pockets, along with a dedicated hammer loop. The leg openings are designed to measure 19 inches, ensuring they fit comfortably over work boots.

## Key Features

- **Material:** 12-ounce, 100% ring-spun cotton duck for exceptional durability.
- **Fit:** Loose fit with a full seat and thigh for comfort and mobility.
- **Waist:** Sits slightly above the natural waist.
- **Pockets:** Equipped with multiple tool and utility pockets for convenient storage.
- **Tool Holder:** Includes a dedicated hammer loop.
- **Leg Protection:** Features chap-style leg panels and double knees with cleanout bottoms for knee pads.
- **Leg Opening:** 19-inch leg openings designed to fit over work boots.

## SETUP

Before wearing your new Carhartt dungarees, it is recommended to try them on to ensure the correct size and fit. The loose fit is designed for comfort and ease of movement, sitting slightly above the natural waist. Consider your typical work activities and whether you plan to use knee pads, as the double-front design

accommodates them. No complex assembly is required; simply put them on as you would any pair of work pants.

## OPERATING INSTRUCTIONS

These dungarees are designed for active use in various work environments. Utilize the multiple tool and utility pockets to keep essential items accessible. The hammer loop provides a secure place for your hammer or similar tools. For tasks requiring kneeling, insert appropriate knee pads into the cleanout bottoms of the double-front panels for enhanced comfort and protection. The 19-inch leg openings are

specifically tailored to fit over standard work boots, providing a seamless and protective fit.

## CARE AND MAINTENANCE

Proper care will extend the life of your Carhartt dungarees. Follow these guidelines:

- **Washing:** Machine Wash. Use cold water and a gentle cycle to preserve fabric integrity.
- **Drying:** Tumble dry on low heat or hang dry to prevent excessive shrinkage and maintain shape. Avoid high heat.
- **Ironing:** If necessary, iron on a medium setting.
- **Bleach:** Do not bleach, as this can damage the fabric and color.
- **General Advice:** Wash with similar colors. Close all zippers and fastenings before washing.

## TROUBLESHOOTING

While Carhartt products are known for their durability, occasional issues may arise. Here are some common concerns and general advice:

- **Sizing/Fit Issues:** Carhartt sizing can sometimes vary. If the fit is not as expected (too loose or too tight), consider consulting the Carhartt size guide or trying a different size. The B236 model is designed for a loose fit with a full seat and thigh.
- **Fabric Stiffness:** New duck canvas can be stiff. Repeated washing and wear will soften the fabric over time, improving comfort.
- **Durability Concerns:** If you experience premature wear or damage, inspect the garment for manufacturing defects. Carhartt is known for its robust construction; ensure the pants are being used for their intended purpose.
- **Stains:** Treat stains promptly according to fabric care instructions. For tough stains, pre-treat before washing.

For persistent issues or specific product concerns, please refer to the Warranty and Support section.

## SPECIFICATIONS

Feature	Detail
Item Model Number	B236
Fabric Type	100% Cotton (12-ounce ring-spun duck)
Department	mens
Origin	Imported
Closure Type	Belt
Care Instructions	Machine Wash
Package Dimensions	1 x 1 x 1 inches; 1 Pounds (Approximate)
