BLANCO STELLAR 441023 Stainless Steel 60/40 Double Bowl Undermount Kitchen Sink Instruction Manual

Model: 441023

INTRODUCTION

This manual provides essential information for the installation, operation, and maintenance of your BLANCO STELLAR 441023 Stainless Steel 60/40 Double Bowl Undermount Kitchen Sink. Please read these instructions carefully before beginning installation or use to ensure proper function and longevity of your product.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	BLANCO
Model Number	441023
Material	18 Gauge, 304 Series Stainless Steel (18/10 Chrome-Nickel Content)
Color/Finish	Stainless Steel
Bowl Configuration	60/40 Double Bowl Split
Bowl Depths	9 inches and 7 inches
Overall Product Dimensions (D x W x H)	20.5" x 32.33" x 9"
Required Interior Cabinet Space	36 inches
Installation Type	Undermount

Drain Type	Lift and Turn (Drains not included)
Hole Count	1
Item Weight	28 Pounds

Note: All dimensions are approximate and subject to manufacturing tolerances.

INSTALLATION

Installation of the BLANCO STELLAR undermount sink requires professional plumbing and countertop installation. The following provides general guidance; always refer to the detailed template and instructions provided with your sink packaging for precise installation steps.

Pre-Installation Checks:

- Verify all components are present and undamaged.
- Ensure the countertop opening matches the provided template.
- Confirm that the interior cabinet space is at least 36 inches wide to accommodate the sink.

General Installation Steps (Undermount):

1. **Prepare Countertop:** The countertop fabricator will cut the opening and polish the edges according to the sink template.
2. **Mounting Hardware:** Attach the provided mounting clips and brackets to the underside of the countertop, following the manufacturer's guidelines.
3. **Apply Sealant:** Apply a continuous bead of silicone sealant around the rim of the sink where it will contact the underside of the countertop.
4. **Position Sink:** Carefully lift and position the sink into the countertop opening from below, ensuring proper alignment.
5. **Secure Sink:** Tighten the mounting clips evenly to secure the sink firmly against the countertop. Wipe away any excess sealant immediately.
6. **Install Drains and Faucet:** Install the drain assemblies (not included) and faucet according to their respective manufacturer's instructions.
7. **Connect Plumbing:** Connect the water supply lines and drain pipes, ensuring all connections are watertight.

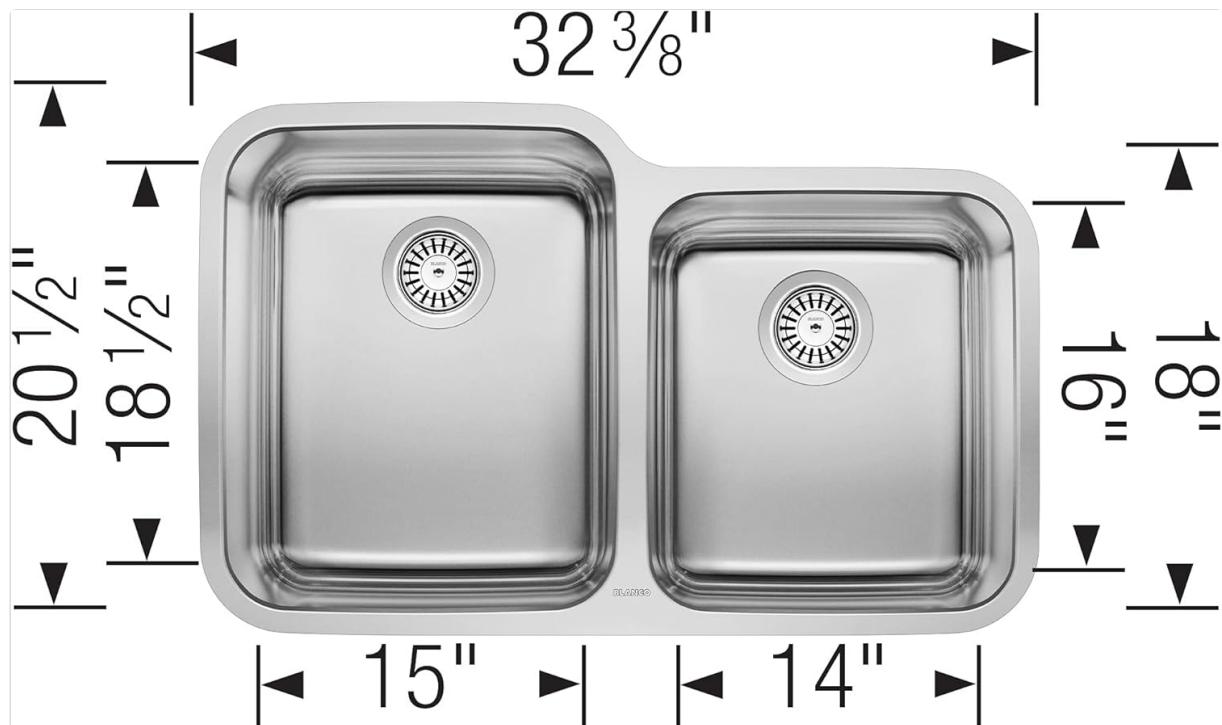

Image: Detailed dimensions of the BLANCO STELLAR 60/40 Double Bowl Undermount Kitchen Sink.

OPERATION

The BLANCO STELLAR kitchen sink is designed for daily kitchen tasks. Its 60/40 bowl split allows for versatile use, with a larger bowl for washing and a smaller bowl for rinsing or food preparation.

General Use:

- Use the sink for washing dishes, preparing food, and other general kitchen activities.
- Avoid placing extremely hot items directly onto the sink surface without protection, although stainless steel is highly heat resistant.
- Ensure proper drainage by keeping the drain clear of large food particles.

Image: BLANCO STELLAR 60/40 Double Bowl Undermount Kitchen Sink installed in a kitchen setting.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your stainless steel sink. BLANCO recommends regular cleaning to prevent mineral buildup and maintain the finish.

Daily Cleaning:

- After each use, rinse the sink thoroughly with warm water to remove food particles and soap residue.
- Wipe the sink dry with a soft cloth to prevent water spots and mineral deposits, especially in hard water areas.
- For general cleaning, use a mild dish soap and a soft sponge or cloth.

Deep Cleaning and Stain Removal:

- For stubborn stains, use a non-abrasive stainless steel cleaner or a paste of baking soda and water. Apply with a soft cloth and rub in the direction of the grain.
- Rinse thoroughly and dry immediately.
- Avoid using steel wool, abrasive cleaners, or harsh chemicals (e.g., bleach, drain cleaners containing chlorides) as these can damage the stainless steel finish.

Preventing Scratches:

- While stainless steel is durable, it can scratch. Use a sink grid (if available for your model) to protect the bottom of the sink from pots and pans.
- Avoid dragging heavy or sharp objects across the sink surface.

Image: Top view of the BLANCO STELLAR 60/40 Double Bowl Undermount Kitchen Sink.

TROUBLESHOOTING

This section addresses common issues you might encounter with your kitchen sink.

Slow Drainage:

- **Cause:** Food particles or grease buildup in the drain.
- **Solution:** Remove the drain stopper and clear any visible debris. For deeper clogs, use a plunger or a non-corrosive drain cleaner. Avoid harsh chemical drain cleaners that can damage stainless steel.

Water Spots/Stains:

- **Cause:** Hard water deposits or mineral buildup.
- **Solution:** Wipe the sink dry after each use. For existing spots, use a solution of vinegar and water, or a specialized stainless steel cleaner. Rub with a soft cloth in the direction of the grain.

Scratches:

- **Cause:** Abrasive objects or materials coming into contact with the sink surface.
- **Solution:** Minor scratches are a normal part of stainless steel sink use and will blend into the patina over time. For deeper scratches, consult a professional or use a stainless steel scratch repair kit, following product instructions carefully.

WARRANTY INFORMATION

Your BLANCO STELLAR 441023 Stainless Steel Sink is covered by a **Limited Lifetime Warranty**. This warranty covers manufacturing defects under normal use and service. For specific terms, conditions, and to make a warranty claim, please refer to the official warranty documentation included with your purchase or visit the BLANCO official website.

Please retain your proof of purchase for warranty purposes.

CUSTOMER SUPPORT

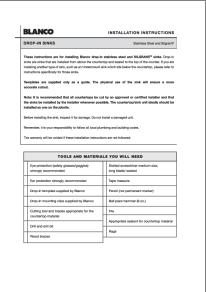

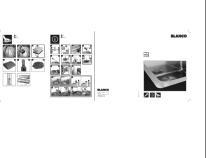

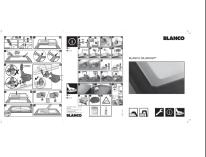

For further assistance, technical support, or inquiries regarding your BLANCO product, please contact BLANCO customer service. Contact details can typically be found on the BLANCO official website or in the packaging materials.
