### Hot Wheels 2002-158 Hyper Mite

# Hot Wheels 2002-158 Hyper Mite 1:64 Scale Die-Cast Car Instruction Manual

Model: 2002-158 Hyper Mite

## 1. INTRODUCTION

This manual provides essential information for the Hot Wheels 2002-158 Hyper Mite 1:64 Scale die-cast car. Please read these instructions carefully to ensure proper handling and enjoyment of your collectible item. This product is a miniature replica vehicle designed for display and play.

Figure 1: Hot Wheels 2002-158 Hyper Mite in original packaging. The packaging shows the Hot Wheels logo, collection number 125, and a warning about small parts.

## 2. SAFETY INFORMATION

**WARNING: CHOKING HAZARD - Small parts.** Not for children under 3 years.

- Keep away from infants and young children to prevent accidental ingestion of small parts.
- This product is intended for ages 3 months and up, as indicated by the manufacturer. However, adult supervision is recommended during play, especially with younger children.
- Do not put the toy in the mouth.
- Inspect the toy regularly for any damage or loose parts that could pose a hazard. Discontinue use if damage is found.

## 3. SETUP

The Hot Wheels Hyper Mite is ready for use directly out of its packaging. No assembly is required.

1. Carefully remove the die-cast car from its blister packaging.
2. Dispose of packaging materials responsibly.

Figure 2: Detailed view of the Hot Wheels Hyper Mite car, highlighting its design and features.

## 4. OPERATING INSTRUCTIONS

The Hot Wheels Hyper Mite is a free-rolling die-cast vehicle. It is designed for imaginative play and collection.

- Place the car on a smooth, flat surface.
- Gently push the car forward to make it roll.
- This car is compatible with most Hot Wheels track sets (sold separately). Ensure proper alignment when using with tracks.
- For collectors, display the car in a safe, visible location away from direct sunlight and excessive dust.

## 5. MAINTENANCE AND CARE

- **Cleaning:** To clean the die-cast car, gently wipe it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the paint finish.
- **Storage:** Store the car in a cool, dry place, away from direct sunlight and extreme temperatures. For collectors, consider display cases to protect against dust and damage.
- **Inspection:** Periodically check the wheels and axles to ensure they roll freely and are not obstructed by debris.

## 6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Car does not roll smoothly.	Debris caught in wheels or axles.	Carefully remove any visible debris from the wheels and axles. Ensure the surface it is rolling on is clean.
Paint appears dull or scratched.	Exposure to harsh chemicals, abrasive cleaning, or rough play.	Avoid abrasive cleaning. Store in a protective environment. Minor scratches are part of normal wear and tear for play items.

## 8. WARRANTY INFORMATION

Hot Wheels products are manufactured by Mattel. For specific warranty details regarding manufacturing defects, please refer to the official Mattel website or contact their customer service. Generally, Mattel guarantees its products are free from defects in material or workmanship for a limited period from the date of purchase. Proof of purchase may be required.

*Note: This warranty typically covers manufacturing defects and does not cover damage resulting from misuse, accidents, or normal wear and tear.*

## 9. CUSTOMER SUPPORT

For further assistance, questions, or to report any issues with your Hot Wheels Hyper Mite, please contact Mattel Customer Service:

- **Online:** Visit the official [Mattel Customer Service website](#) for FAQs and contact options.
- **Phone:** Refer to the contact information provided on the product packaging or the Mattel website for your region.

When contacting support, please have your product model number (2002-158 Hyper Mite) and purchase details available.
