Nuvo SF76/616

Nuvo Lighting SF76/616 Industrial Style Outdoor Light User Manual

Model: SF76/616

PRODUCT OVERVIEW

The Nuvo Lighting SF76/616 is an industrial-style, heavy-duty aluminum outdoor light designed for close-to-ceiling porch and patio installations. It features a durable white finish and frosted glass, providing reliable illumination for outdoor spaces.

SETUP AND INSTALLATION

Before beginning installation, ensure the power supply is turned off at the circuit breaker. It is recommended to consult a qualified electrician for installation if you are not familiar with electrical wiring.

Important Safety Notice: Please check your local laws and electrical codes before purchasing and installing this product to ensure compliance.

For detailed installation instructions, including wiring diagrams and mounting procedures, please refer to the official installation manual provided by Nuvo Lighting. A digital version of the manual can often be found on the product's support page or via the link below:

Mounting Considerations:

This fixture is designed for close-to-ceiling mounting. Ensure the mounting surface is stable and capable of supporting the fixture's weight. Proper mounting hardware is essential for secure installation. While some fixtures may require specific hardware, it is crucial to ensure all necessary components are present before starting. If mounting hardware is not included or appears insufficient, acquire appropriate universal mounting plates, screws, and gaskets from a hardware store to ensure a secure and compliant installation.

OPERATING INSTRUCTIONS

The Nuvo Lighting SF76/616 operates as a standard outdoor light fixture. Once properly installed and connected to a power source, it can be controlled via a wall switch or other connected electrical control.

- **Power Requirements:** The fixture is designed for 120 Volts AC power supply.
- **Bulb Type:** This fixture accommodates one light bulb up to 100 watts. Use an A19 shape bulb. Ensure the bulb type is suitable for outdoor, wet-rated environments if applicable.
- **Light Source:** The fixture is designed for a single light source, providing up/down light distribution.

For optimal performance and longevity, use bulbs that comply with the fixture's specifications.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Nuvo Lighting fixture.

Cleaning:

- Before cleaning, ensure the power to the fixture is turned off and the fixture has cooled down.
- Wipe the exterior surfaces with a soft, damp cloth. Avoid using abrasive cleaners, solvents, or polishes as they may damage the finish or glass.
- Clean the frosted glass shade gently to maintain light output.

Bulb Replacement:

- Turn off the power to the fixture at the circuit breaker before replacing the bulb.
- Allow the bulb to cool completely before touching it.
- Carefully remove the frosted glass shade and the old bulb.
- Insert a new bulb of the correct type (A19) and wattage (up to 100 watts).
- Reattach the glass shade securely.

TROUBLESHOOTING

If you encounter issues with your Nuvo Lighting fixture, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	No power, faulty bulb, loose wiring.	Check circuit breaker. Replace bulb. Verify wiring connections are secure (consult electrician if unsure).

Problem	Possible Cause	Solution
Light flickers.	Loose bulb, incorrect bulb type, unstable power.	Tighten bulb. Ensure bulb is compatible. Check power supply stability.
Missing mounting hardware.	Hardware not included in package.	Acquire appropriate universal mounting plate, screws, and gasket from a local hardware store.
Glass shade or fixture damaged upon arrival.	Shipping damage.	Contact the seller or manufacturer for replacement parts or a full replacement.

If problems persist after attempting these solutions, contact Nuvo Lighting customer support or a certified electrician.

SPECIFICATIONS

Attribute	Detail
Brand	Nuvo
Model Number	SF76/616
Color	White

WARRANTY INFORMATION

All products purchased have a 30-day replacement parts policy to ensure a fully working item. All products are covered under a 1-year warranty when purchased on Amazon. The warranty period begins on the day the product is originally shipped. The warranty covers all of the items and conditions identified in the original manufacturer's warranty. Some of the items specifically not covered by the warranty are loss and theft, water damage, customer abuse, and finish deterioration due to UV or coastal exposure.

For specific warranty claims or questions, please refer to the original manufacturer's documentation or contact Nuvo Lighting customer service.
