Bemis 500EC Durable Wood Toilet Seat - Instruction Manual

Model: 500EC 000 | Round, White

INTRODUCTION

This manual provides instructions for the installation, maintenance, and care of your Bemis 500EC Durable Wood Toilet Seat. This product is designed for standard round toilets and features easy-clean hinges for convenience.

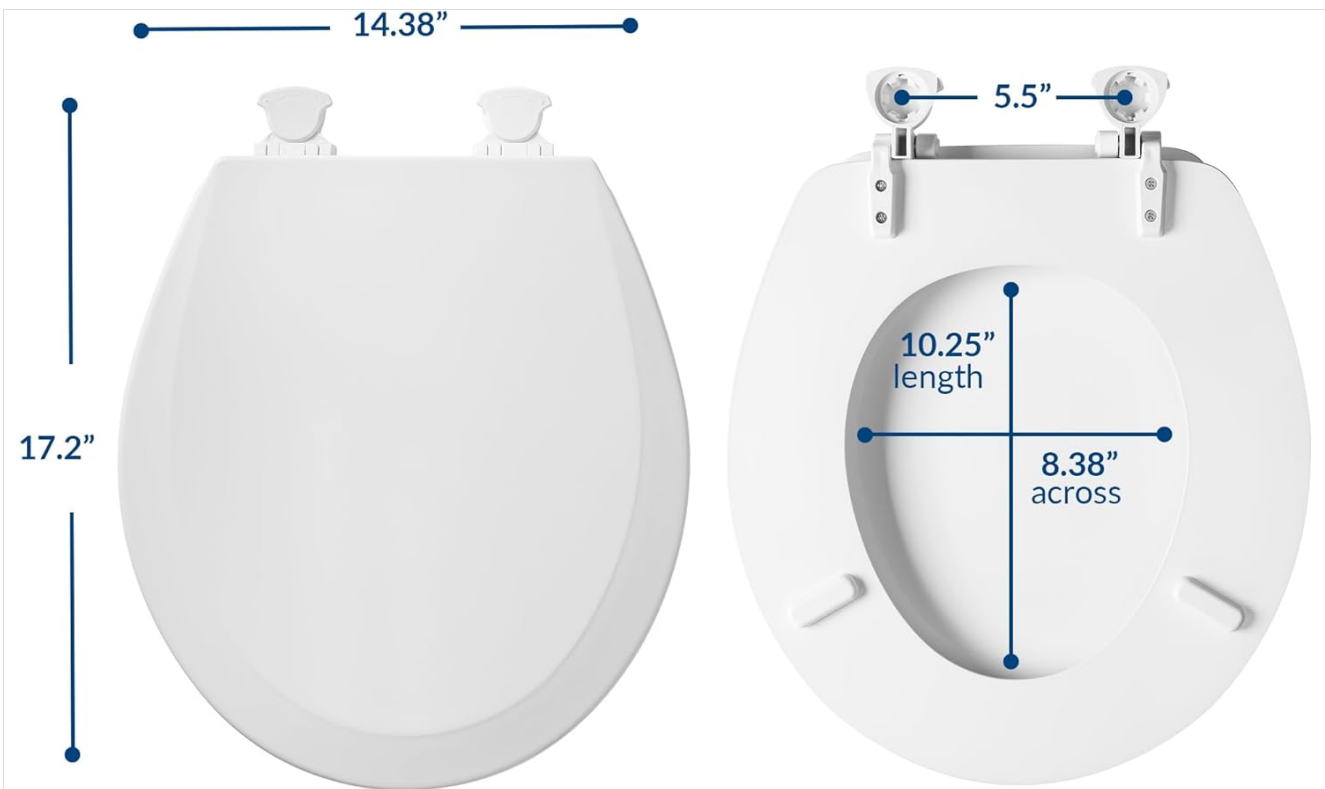

Image: The Bemis 500EC Durable Wood Toilet Seat in white, shown in a closed position.

PRODUCT SPECIFICATIONS

Brand	Bemis
Model Number	500EC 000
Material	Wood
Color	White
Style	Round
Product Dimensions	16.5"L x 16.5"W
Item Weight	5.8 Pounds

UPC	073088126290
Special Features	Easy Clean Hinges, Durable Molded Wood

Round Product Dimensions

Image: A diagram illustrating the dimensions of a round toilet seat, indicating a width of 14.38 inches and a length of 17.2 inches, with hinge spacing of 5.5 inches.

INSTALLATION INSTRUCTIONS

Follow these steps for quick and easy installation of your Bemis toilet seat. A flathead screwdriver may be required.

1. Step 1: Prepare the Toilet Bowl

Ensure the toilet bowl is clean and dry where the seat will be installed. Remove any old toilet seat hardware.

2. Step 2: Insert Bolts

Place the bolts through the holes in the toilet bowl.

3. Step 3: Secure Nuts

From underneath the toilet bowl, thread the wing nuts onto the bolts and tighten them by hand.

4. Step 4: Attach Seat

Align the seat's hinges with the bolts and press down firmly until the seat clicks into place. The Easy Clean & Change

hinges allow for simple attachment and removal.

Easy Installation

Watch the installation video
on this page for more detail

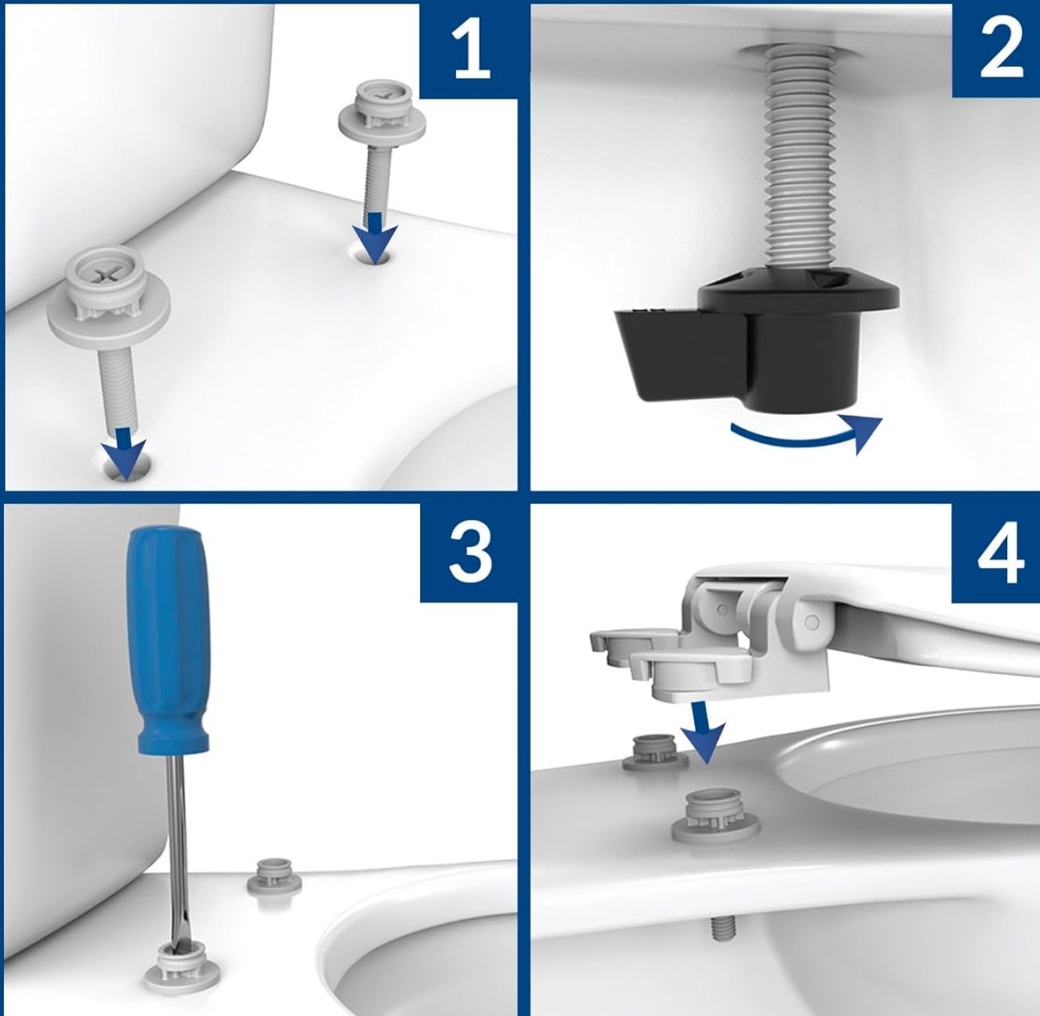

Image: A four-panel diagram illustrating the installation process: 1) inserting bolts, 2) securing nuts from below, 3) tightening with a screwdriver, and 4) attaching the seat to the secured bolts.

CARE AND MAINTENANCE

Proper care will help maintain the finish and extend the life of your toilet seat.

- **Cleaning:** Use a soft, damp cloth with mild detergent, such as dish soap or anti-bacterial hand soap.
- **Easy Clean Hinges:** The hinges are designed to easily release the seat for thorough cleaning. Simply twist the hinges to remove the seat, clean the area, and then reattach. The bolts remain on the toilet.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, brushes, or harsh chemicals like bleach, as these can damage the high-gloss finish.
- **Regular Cleaning:** Clean regularly to prevent staining and maintain hygiene.

**Removes for
Easy Cleaning**

WOOD TOILET SEAT

Image: An icon depicting a toilet seat with sparkling arrows, indicating the feature for easy removal for cleaning.

CLEANING YOUR TOILET SEAT

To preserve your seat's glossy finish, we recommend cleaning with either:

- Anti-bacterial wipes
- Dish soap
- Anti-bacterial hand soap

**Do Not Use
Bleach or Harsh Chemicals**

Image: A graphic showing a toilet and cleaning recommendations: anti-bacterial wipes, dish soap, or anti-bacterial hand soap. It explicitly warns against using bleach or harsh chemicals.

TROUBLESHOOTING

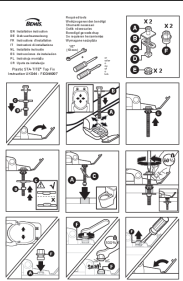

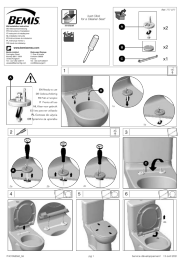

- **Seat is loose:** Ensure the mounting bolts are securely tightened. If the seat has Easy Clean & Change hinges, verify it is properly clicked into place.
- **Finish damage/staining:** This can occur from using abrasive cleaners or harsh chemicals. Refer to the 'Care and Maintenance' section for recommended cleaning practices.
- **Seat does not fit:** Verify your toilet is a standard round shape. Measure your toilet bowl according to the dimensions provided in the 'Product Specifications' section to ensure compatibility.

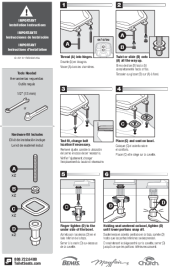

WARRANTY AND SUPPORT

Warranty: Bemis Manufacturing Company provides a manufacturer's warranty that covers purchases in the US and Canada for 1 year from the date of purchase.

Customer Support: For further assistance, product inquiries, or warranty claims, please contact Bemis customer support directly. Refer to the official Bemis website for current contact information.
