LEGO 5891

Instruction Manual

LEGO CREATOR APPLE TREE HOUSE (5891)

Model: 5891

PRODUCT OVERVIEW

The LEGO Creator Apple Tree House (Set 5891) is a versatile building set designed to inspire creativity and provide hours of construction fun. This set allows for the creation of a detailed modern country home, complete with an apple tree and various realistic features. Beyond the primary model, the set includes instructions for rebuilding into two alternative structures: a tall townhouse or a relaxing summer home, offering a 3-in-1 building experience.

Key Features

- 3 models in 1: Rebuild into a tall townhouse or summer home.
- Classic family house packed with details, like a working mailbox, lawnmower, outdoor light, and water tap in the garden.
- Features a blue tiled roof which can be lifted to play inside.
- Highly detailed elements: Basketball hoop, TV antenna, and functional garage door.
- Comprises 539 individual LEGO pieces.

ASSEMBLY INSTRUCTIONS

The LEGO Creator Apple Tree House (5891) comes with a comprehensive instruction booklet. Please follow the step-by-step visual guides provided in the manual to assemble your chosen model. It is recommended to sort pieces by color and size before beginning construction to facilitate the building process.

This set offers three distinct building options: the Apple Tree House, a Tall Townhouse, or a Summer Home. Each option has its own dedicated instructions within the booklet. Ensure you are following the correct sequence for your desired model.

Figure 1: The assembled LEGO Creator Apple Tree House (5891). This image displays the completed LEGO Creator Apple Tree House, featuring its white walls, blue roof, red garage door, and an apple tree in the yard. Details like the mailbox, satellite dish, and lawnmower are visible.

Figure 2: Interior view of the LEGO Creator Apple Tree House (5891) with the roof lifted. This image shows the LEGO Creator Apple Tree House with its blue roof partially lifted, providing a view into the attic area and the ladder leading up to it. The garage and front yard elements are also visible.

INTERACTING WITH YOUR MODEL

Once assembled, the LEGO Creator Apple Tree House offers several interactive features:

- **Working Mailbox:** The mailbox near the front door can be opened to place small LEGO elements inside, simulating mail delivery.
- **Opening Doors:** Both the front entrance door and the garage door are designed to open and close, allowing for imaginative play with LEGO figures or vehicles.
- **Liftable Roof:** The blue tiled roof section can be lifted to provide easy access to the interior of the house, including the attic space and the ladder leading up to it.
- **Movable Accessories:** The lawnmower and basketball net are separate elements that can be positioned as desired around the house.

Remember that the set can be disassembled and rebuilt into a tall townhouse or a relaxing summer home, providing varied play experiences.

CARE AND MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Creator Apple Tree House (5891) and its components, follow these simple maintenance guidelines:

- **Cleaning:** LEGO bricks can be cleaned using a mild soap solution and lukewarm water (not exceeding 40°C or 104°F). Use a soft brush or cloth to gently clean the bricks. Rinse thoroughly with clear water and air dry at room temperature. Do not use hot water, harsh chemicals, or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade.
- **Handling:** Handle bricks carefully to avoid scratches or damage. Avoid stepping on or throwing bricks, as this can cause breakage.
- **Disassembly:** When disassembling the model, gently pull bricks apart. Avoid using excessive force or tools that could scratch or break the elements.

TROUBLESHOOTING

If you encounter any issues during the assembly or use of your LEGO Creator Apple Tree House (5891), consider the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials, including bags and box corners, as small pieces can sometimes be overlooked. If a piece is genuinely missing, please refer to the Customer Support section for assistance.
- **Difficulty Connecting Bricks:** Ensure that bricks are aligned correctly and pressed firmly together. Some new bricks may require a bit more pressure to connect initially.
- **Model Instability:** Double-check that all connections are secure and that you have followed the instructions precisely. Incorrectly placed bricks can affect the structural integrity of the model.
- **Instructions Unclear:** Review the instruction manual carefully. If a step remains unclear, try looking at the subsequent steps to understand the intended outcome. Online resources or fan communities may also offer visual guides.

For persistent issues or specific part requests, please contact LEGO Customer Service.

PRODUCT SPECIFICATIONS

Specification	Detail
Product Name	LEGO Creator Apple Tree House
Set Number	5891
Item Model Number	4567217
Number of Pieces	539
Recommended Age	7 - 12 years
Product Dimensions	18.9 x 2.91 x 11.1 inches
Item Weight	1.81 pounds
Manufacturer	LEGO Creator
