

BestAir 3US

BestAir 3US UltraTreat Humidifier Water & Scale Treatment User Manual

1. INTRODUCTION

This manual provides essential information for the proper use and maintenance of BestAir 3US UltraTreat Vaporizer/Ultrasonic Humidifier Water & Scale Treatment. This 32 fl oz treatment is designed to enhance the performance and longevity of your humidifier by addressing common water-related issues. For optimal results, please read these instructions carefully before use.

2. KEY BENEFITS

BestAir 3US UltraTreat offers several advantages for your humidifier and indoor air quality:

- **Bacterial and Algae Control:** Powerful formula aids in controlling bacterial and algae buildup, which can cause unpleasant odors.

- **Prevents Scale Buildup:** Helps prevent the accumulation of lime and scale, common issues in humidifiers, especially with hard water.
- **Enhances Humidifier Life:** Prolongs the operational life of your humidifier and its wick by keeping internal components clean.
- **Optimizes Performance:** Improves the effectiveness of your humidifier, facilitating maximum humidity release into the air.
- **Cleans Components:** Cleans and clears heat rods and transducers, ensuring they function efficiently.
- **Made in the USA:** Manufactured in the United States.

3. USAGE INSTRUCTIONS

Follow these steps for effective application of BestAir 3US UltraTreat:

1. **Prepare Humidifier:** Ensure your humidifier is clean and free from existing heavy scale or biological growth before initial treatment. Refer to your humidifier's manual for cleaning instructions.
2. **Add to Water Tank:** Pour the recommended amount of BestAir 3US UltraTreat directly into your humidifier's water tank each time you refill it.
3. **Dosage:** Refer to the product label on the BestAir 3US UltraTreat bottle for precise dosage instructions based on your humidifier's capacity. Typical usage involves adding a small amount per gallon of water.
4. **Regular Use:** For continuous protection against lime, scale, bacteria, and algae, use the treatment regularly with every water refill.

4. MAINTENANCE BENEFITS

Regular use of BestAir 3US UltraTreat contributes significantly to the overall maintenance of your humidifier:

- **Reduced Cleaning Frequency:** By preventing buildup, the need for frequent deep cleaning of your humidifier's tank and components is reduced.
- **Odor Elimination:** Actively works to eliminate odors caused by bacterial and algal growth in the water.
- **Filter Longevity:** Helps maintain the integrity and effectiveness of humidifier wicks and filters, potentially extending their lifespan.
- **Consistent Performance:** Ensures that your humidifier operates at its intended efficiency, providing consistent moisture output.

6. SAFETY INFORMATION

WARNING: KEEP OUT OF REACH OF CHILDREN.

- Read all instructions and warnings on the product label before use.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.
- Always ensure proper ventilation when operating humidifiers.

7. SUPPORT INFORMATION

For specific product inquiries or further assistance, please refer to the contact information provided on the product packaging or visit the official BestAir website. As this is a treatment product, direct warranty information typically applies to the humidifier itself rather than the consumable treatment. Always ensure to follow the care instructions for your specific humidifier model.
