Jaxx 10887112

Jaxx 6 Foot Cocoon Instruction Manual

Model: 10887112

Brand: Jaxx

Introduction

The Jaxx 6 Foot Cocoon is a versatile 2-in-1 convertible bean bag designed for comfort and adaptability. It can be used as a large, flat bean bag bed or flipped on its side to form a supportive bean bag chair. This manual provides essential information for setup, operation, maintenance, and safety to ensure optimal use of your Jaxx Cocoon.

Safety Information

Warning:

- Keep out of reach of young children.
- Always unzip and remove the inner liner before washing the cover.
- Machine wash with cold water and tumble dry on low heat only.

Setup Instructions

Your Jaxx 6 Foot Cocoon comes pre-assembled and vacuum-compressed for shipping. Follow these steps to set up your bean bag:

1. **Unroll the Shape:** Carefully unroll the compressed foam shape from its packaging.
2. **Release Air:** Tear a small hole in the plastic liner to allow air to enter and the foam to expand. **Do not use a knife or sharp object near the foam.**
3. **Allow Expansion:** Let the foam expand for approximately 20 minutes before applying the outer cover. Full expansion may take up to 48 hours.
4. **Remove Plastic:** Once partially expanded, remove the plastic liner completely.
5. **Apply Cover:** Carefully place the microsuede cover over the foam shape, ensuring the zippers line up.
6. **Zip Closed:** Zip the cover closed.

Operating Your Jaxx Cocoon

The Jaxx Cocoon offers multi-positional comfort, functioning as both a large bean bag bed and a supportive chair.

- **Bean Bag Bed Position:** Lay the Cocoon flat on the floor for a spacious and comfortable lounging or sleeping surface. This position provides ample room for adults or children to relax.
- **Bean Bag Chair Position:** To convert to a chair, simply flip the Cocoon onto its side. The foam micro-cushions will conform to create a supportive backrest and armrests, surrounding you in comfort.

Maintenance

Proper care ensures the longevity and comfort of your Jaxx Cocoon:

- **Cover Care:** The microsuede (polyester) cover is removable and machine washable. Unzip the cover, remove it from the inner liner, and machine wash with cold water. Tumble dry on low heat only.
- **Fluffing:** To maintain optimal softness and shape, fluff your bean bag regularly. Flip it onto one side and gently push the foam down and around to redistribute the micro-cushions. Regular fluffing helps keep the product comfortable.

- **Liner:** The inner liner contains a childproof zipper. Do not attempt to open the inner liner unless absolutely necessary for maintenance or refilling by an authorized professional.

Specifications

Feature	Detail
Brand	Jaxx
Model Number	10887112
Color	Charcoal
Product Dimensions	72"D x 72"W x 20"H
