Moen DN8424BN

Moen Preston DN8424BN 24-Inch Brushed Nickel Single Wall Mounted Bathroom Towel Bar User Manual

Model: DN8424BN

PRODUCT OVERVIEW

The Moen Preston DN8424BN 24-Inch Single Wall Mounted Bathroom Towel Bar is designed to provide functional towel storage with a classic aesthetic. Featuring a brushed nickel finish, this towel bar offers a lightly brushed warm-gray metallic look that complements various bathroom decors. It is constructed from durable zinc material, ensuring longevity and resistance to corrosion. This wall-mounted accessory is suitable for use in bathrooms, kitchens, or other areas requiring towel hanging solutions.

INSTALLATION INSTRUCTIONS

The Moen Preston towel bar is designed for hassle-free installation. Follow these general steps for mounting your towel bar. Always refer to the detailed instructions included in your product packaging for specific guidance.

Tools You May Need:

- Phillips Head Screwdriver
- Drill
- Level
- Pencil

Step-by-Step Guide:

1. **Prepare the Mounting Location:** Choose a suitable location on your wall. Use a level and pencil to mark the desired height and ensure the bar will be straight.
2. **Attach Mounting Brackets:** Position the mounting brackets at your marked locations. Use the provided screws and drywall anchors (if drilling into drywall) to secure the brackets firmly to the wall. Ensure the brackets are level and securely fastened.
3. **Assemble the Towel Bar:** Slide the decorative posts onto the ends of the towel bar.
4. **Secure the Towel Bar:** Attach the assembled towel bar to the wall-mounted brackets. Typically, this involves tightening small set screws located on the underside of the decorative posts to lock the bar onto the brackets.

OPERATING THE TOWEL BAR

The Moen Preston towel bar is designed for straightforward use. Simply drape your towels over the bar for drying or storage. Its 24-inch length provides ample space for standard bath towels or multiple hand towels.

CARE AND MAINTENANCE

To maintain the brushed nickel finish and ensure the longevity of your Moen Preston towel bar, follow these care instructions:

- **Cleaning:** Clean regularly with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or polishes, as these can damage the finish.
- **Drying:** After cleaning, dry the surface with a soft cloth to prevent water spots.

- **Avoid Damage:** Do not use steel wool or scouring pads, which can scratch the finish.

TROUBLESHOOTING

If you encounter any issues with your towel bar, consider the following:

- **Loose Bar:** If the towel bar feels wobbly or loose, check the set screws on the underside of the decorative posts. Tighten them gently with a Phillips head screwdriver until the bar is secure. Avoid over-tightening.
- **Mounting Instability:** If the entire assembly feels unstable, the wall anchors or screws may not be adequately secured. Re-evaluate the installation, ensuring that the anchors are appropriate for your wall type and are properly installed. Consider using stronger anchors if necessary.

WARRANTY INFORMATION

The Moen Preston DN8424BN 24-Inch Single Wall Mounted Bathroom Towel Bar is backed by Moen's Limited Lifetime Warranty. For detailed information regarding warranty coverage, terms, and conditions, please refer to the warranty documentation included with your product or visit the official Moen website.
