KidKraft Kayla Dollhouse Instruction Manual

MODEL: 65092

Brand: KidKraft

Product Overview

The KidKraft Kayla Dollhouse is a multi-level play structure designed for dolls up to 12 inches tall. It features a colorful design with three floors and four distinct rooms, providing an interactive environment for play. The dollhouse is constructed from high-quality wood and includes a set of furniture and accessories.

Key features include:

- Three stories and 10 colorful pieces of furniture.
- Accommodates dolls up to 12 inches tall.
- Full staircase connects the first and second floors.
- Designed for multiple children to play simultaneously.
- Constructed from MDF, wood, and fabric components.
- Includes functional window shutters, molded staircases, and detailed art on every panel.

Important Safety Information

This product is recommended for children aged 3 years and up. Adult supervision is advised during play. Ensure all parts are securely assembled before use. Regularly inspect the dollhouse for any loose or damaged components. Keep small parts away from young children to prevent choking hazards. Do not allow children to climb on the dollhouse.

Assembly Instructions

The KidKraft Kayla Dollhouse requires assembly. An assembly instruction manual and hardware pack are included with the product. Follow the step-by-step instructions carefully. All pieces are typically numbered for easy identification.

Assembly generally requires a Phillips head screwdriver and the provided Allen key.

It is recommended to assemble the dollhouse in the area where it will be used to avoid moving it after completion. Ensure all screws are tightened securely, but do not overtighten to prevent damage to the wood components.

Operating the Dollhouse

The Kayla Dollhouse is designed for imaginative play with dolls up to 12 inches in height. Children can arrange the included 10 pieces of furniture and accessories across the three floors and four rooms. The molded staircases allow dolls to move between levels, and the functional window shutters add to the interactive experience.

Maintenance and Care

To ensure the longevity of your KidKraft Kayla Dollhouse, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth and mild soap if necessary. Avoid abrasive cleaners or harsh chemicals. Dry immediately after cleaning.
- **Dusting:** Regularly dust the dollhouse with a soft, dry cloth.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if any looseness is detected.
- **Storage:** Store the dollhouse in a dry environment, away from direct sunlight or extreme temperature changes, to prevent warping or damage to the wood and painted surfaces.

Troubleshooting

If you encounter any issues with your KidKraft Kayla Dollhouse, consider the following:

- **Loose Parts:** If any parts become loose, re-tighten the corresponding screws. Do not overtighten.
- **Missing Components:** If you believe a part is missing from the original packaging, refer to the included parts list in the assembly instructions.
- **Damage:** For significant damage or manufacturing defects, please contact customer support.

Product Specifications

Specification	Detail
Brand	KidKraft
Model Number	65092
UPC	706943010358
Item Dimensions (L x W x H)	28.8" x 13.2" x 44.8" (73.15 cm x 33.53 cm x 113.79 cm)
