Honey-Can-Do SHF-01443

Honey-Can-Do 5-Tier Heavy Duty Adjustable Shelves (SHF-01443) Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Honey-Can-Do 5-Tier Heavy Duty Adjustable Shelves. Designed for durability and versatility, this chrome metal storage rack offers a robust solution for organizing various items in your home, garage, kitchen, or office. Each shelf is capable of supporting up to 200 lbs of evenly distributed weight.

SAFETY INFORMATION

Caution: This product contains sharp edges and can cause injury during assembly or adjustment. Exercise care when handling components.

- Do not overload shelves. Each shelf is rated for up to 200 lbs of evenly distributed weight.
- Ensure all parts are securely fastened before loading the shelves.
- Do not use tools to adjust the shelves; they are designed for tool-free adjustment.
- Properly secure the shelf to the wall or floor to prevent tipping or collapse, especially in areas with children or pets.

PARTS LIST

Before assembly, ensure all components are present and undamaged. If any parts are missing or damaged, please

contact customer support.

- 5 x Wire Shelves
- 4 x Bottom Poles
- 4 x Top Poles
- 4 x Pole Connectors
- 20 x Shelf Clips (2 halves per clip)
- 4 x Leveling Feet

SETUP AND ASSEMBLY

Assembly of the Honey-Can-Do 5-Tier Shelving Unit is designed to be tool-free and straightforward. Follow these steps for proper installation.

Assembly Video Guide

Video: Official Honey-Can-Do Shelving Assembly Video. This video demonstrates the step-by-step process of assembling the shelving unit, including how to attach clips and position shelves.

Step-by-Step Instructions

1. **Attach Leveling Feet:** Screw the four leveling feet into the bottom of each of the four bottom poles.
2. **Connect Poles:** Insert the pole connectors into the top of the bottom poles. Then, screw the top poles onto the connectors to create four full-length vertical poles.
3. **Attach Shelf Clips:** Locate the grooves on the poles. Snap two halves of a shelf clip together around each pole at the desired height for your bottom shelf. Ensure the clips are at the same height on all four poles for a level shelf. The clips have an arrow indicating 'TOP' to ensure correct orientation.

Your Honey-Can-Do shelving unit is designed for flexible and efficient storage.

Adjusting Shelf Heights

The shelves are fully adjustable to accommodate items of various sizes. To adjust a shelf:

1. Empty the shelf you wish to adjust.
2. Lift the shelf off its clips.
3. Remove the two-part clips from the poles.
4. Re-attach the clips at the desired new height, ensuring they are level on all four poles.
5. Place the shelf back onto the clips, pressing down firmly to secure.

Weight Capacity

Each shelf can support up to 200 lbs of evenly distributed weight. Avoid concentrating heavy items in one spot to prevent damage or instability.

MAINTENANCE

To ensure the longevity and appearance of your shelving unit, follow these simple maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth to remove dust and debris. For tougher spots, use a mild soap and water solution, then dry thoroughly. Avoid abrasive cleaners.
- **Inspection:** Periodically check all connections and clips to ensure they remain secure.
- **Rust Prevention:** While the chrome finish is rust-resistant, avoid prolonged exposure to excessive moisture to prevent potential rust formation.

TROUBLESHOOTING

If you encounter any issues with your shelving unit, refer to the following common solutions:

- **Unstable Shelf:** Ensure all shelf clips are securely snapped onto the poles at the same height. Press down firmly on each corner of the shelf to fully seat it.
- **Uneven Unit:** Use the adjustable leveling feet at the bottom of the poles to stabilize the unit on uneven surfaces. Turn the feet clockwise or counter-clockwise to raise or lower each corner until the unit is level.

Image: Close-up of a leveling foot for stability on uneven surfaces.

- **Difficulty Adjusting Clips:** Ensure the clips are fully separated into two halves before attempting to re-position them. Do not force clips.

SPECIFICATIONS

Feature	Detail
Model Name	5-Tier Heavy-Duty Adjustable Shelving Unit With 200-lb Shelf Capacity, Chrome
Model Number	SHF-01443

WARRANTY

Honey-Can-Do International, LLC (HCD) warrants its products will be free from defects in materials and workmanship when used for normal personal or household use, except as provided below. Within 60 days of purchase, and with proof of purchase, HCD, at its option, may offer a comparable product or offer a replacement part or request that the item be returned to the place of purchase. This warranty does not apply to damage caused by negligence, misuse, excessive use,

improper cleaning, improper assembly, or any circumstance not directly attributable to manufacturing defects. Proof of purchase is required in the form of a receipt (copy or original) and proof of damage may be requested to validate warranty. HCD provides this warranty in lieu of all other warranties either expressed or implied. In no event shall HCD, its affiliates, or subsidiaries be responsible for consequential or incidental damages arising out of a claim of defective product. Some states or provinces do not allow some exclusions or limitations, so the above statement may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary by state or province.

SUPPORT

For further assistance, questions, or to report missing/damaged parts, please visit the official Honey-Can-Do website or contact their customer service department. Keep your proof of purchase handy for any warranty claims.
