# Best Choice Products 71-inch 3-Section Multipurpose Massage Bed and Hydraulic Stool User Manual

Model: beauty-tools-and-accessories-763

## 1. INTRODUCTION

Thank you for choosing the Best Choice Products 71-inch 3-Section Multipurpose Massage Bed and Hydraulic Stool. This manual provides essential information for the safe assembly, operation, and maintenance of your product. Please read it thoroughly before use and retain it for future reference.

### Safety Information

- Assembly may require two people to avoid injury. Always follow the provided instructions.
- Do not exceed the weight capacity of 500 lbs for the bed.
- Do not exceed the weight capacity of 250 lbs for the hydraulic stool.
- This product is intended for professional and residential use as specified.
- Keep children and pets away from the chair during assembly and use.

## 2. COMPONENTS OVERVIEW

The Best Choice Products Multipurpose Massage Bed and Stool system includes the following main components:

- **3-Section Massage Bed:** Features adjustable backrest and leg rest sections.
- **Removable Headrest:** Can be removed or reversed to reveal a facial cradle.
- **Removable Armrests:** Detachable for various service needs.
- **Removable Towel Hanger:** Attaches to the bed frame.
- **Hydraulic Stool:** Adjustable height and 360-degree swivel with a cushioned seat.

### 3. SETUP AND ASSEMBLY

Assembly of the massage bed and stool is required. All necessary tools are typically included. It is recommended to have two people for assembly to ensure safety and ease of construction.

#### General Assembly Steps:

1. Unpack all components and verify against the parts list (refer to packaging for specific parts list).
2. Assemble the main frame of the massage bed according to the diagrams provided in the packaging.
3. Attach the cushioned sections to the frame.
4. Install the removable headrest, armrests, and towel hanger as desired.
5. Assemble the hydraulic stool base and attach the cushioned seat.
6. Ensure all connections are secure before use.

### 4. OPERATING INSTRUCTIONS

This multipurpose bed and stool system is designed for various professional services, including massage, facial treatments, and tattooing.

## 4.1 Multipurpose Functionality

# MULTIPURPOSE

Carry out various services with a chair design that transforms to accommodate massages, facials, and more!

Massage  
Table

Salon  
Chair

Tattoo  
Chair

Figure 4.1: The bed can be configured as a flat massage table.

The 3-section design allows the unit to function as a full-body massage bed, a facial chair, or a tattoo chair. The sections can be adjusted to various positions to accommodate different services and client comfort.

# COMFORTABLE RELAXATION

Provide a variety of services to deserving customers  
in need of a relaxing source of comfort

Figure 4.2: The unit configured as a chair for various services, accompanied by the hydraulic stool.

## 4.2 Adjusting the Bed/Chair

- **Headrest Adjustment:** The headrest section can be easily adjusted to various angles to support the client's head and upper body.
- **Footrest Adjustment:** The footrest section can also be adjusted to different angles, providing comfort for the client's legs during services.

## ADJUSTABLE HEAD & FOOTREST

Easily adjust the footrest and headrest to suit your needs

Figure 4.3: Illustration of the adjustable headrest and footrest sections.

### 4.3 Removable Features

- **Facial Cradle:** The removable head cushion can be taken off to reveal a facial cradle, allowing clients to breathe comfortably when lying face-down.
- **Armrests:** The armrests are removable, providing easier access for certain procedures or client positioning.
- **Towel Hanger:** A removable towel rack is included to keep hand towels conveniently close during services.

## ADJUSTABILITY

Remove the headrest, armrests, or towel bar as required for your services, and adjust the height of your swivel stool accordingly

Height:  
18"-25"

Removable  
Armrests

Removable  
Towel Bar

Figure 4.4: Demonstrates the removable headrest, armrests, and towel bar for enhanced adjustability.

### 4.4 Hydraulic Stool Operation

The included hydraulic stool features an adjustable height mechanism and a 360-degree swivel function. To adjust the height, locate the lever beneath the seat and operate it while applying or releasing weight from the stool. The swivel function allows for unrestricted movement during work.

## 5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your massage bed and stool.

- **Cleaning:** The smooth faux leather upholstery is designed for easy cleaning. Wipe surfaces with a damp cloth and mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the material.
- **Frame Care:** Periodically check the steel frame for any loose bolts or connections and tighten as necessary.
- **Storage:** When not in use, store the bed and stool in a clean, dry environment away from direct sunlight or extreme temperatures.

## QUALITY MATERIALS

Crafted with easy-to-clean faux leather and a heavy-duty steel frame for a chair that withstands the test of time
