2. SETUP

To begin viewing your Thor DVD, follow these steps:

1. **Unpack the DVD:** Carefully remove the DVD disc from its case. Handle the disc by its edges to avoid fingerprints or scratches on the playback surface.
2. **Insert into Player:** Place the DVD disc into a compatible DVD player or Blu-ray player. Ensure the disc is inserted correctly, usually label-side up.
3. **Connect to Display:** Verify your DVD player is properly connected to your television or display device via appropriate cables (e.g., HDMI, composite, component).
4. **Power On:** Turn on your DVD player and television. Select the correct input source on your television to match the player's connection.

3. OPERATING INSTRUCTIONS

Once the DVD is loaded, the main menu should appear. Use your DVD player's remote control to navigate the options.

- **Play Movie:** Select "Play" or "Start Movie" to begin the main feature.
- **Scene Selection:** Choose "Scene Selection" to jump to specific chapters of the film.
- **Audio Options:** Access "Audio" or "Language" settings to select your preferred audio track (e.g., English, French, Spanish) or audio format (e.g., Dolby Digital).
- **Subtitles:** Select "Subtitles" to enable or disable subtitles and choose your preferred language (e.g., English, French, Spanish).
- **Special Features:** Navigate to the "Special Features" menu to explore additional content.

4. SPECIAL FEATURES

The Thor DVD includes various special features to enhance your viewing experience. These may include:

The world has many heroes...but only one is a god. When the arrogant warrior Thor (Chris Hemsworth, *Star Trek*) is banished to Earth from his homeworld of Asgard, he must fight to reclaim his lost powers. Pursued by an invasion force sent to destroy him, the fallen God of Thunder must rise to the battle and learn what it takes to become a true hero. Natalie Portman (*Black Swan*) and Anthony Hopkins (*Beowulf*) also star in the blockbuster adventure critics are calling "thrilling, entertaining and cool" (Harry Knowles, *Ain't It Cool News*).

6. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your Thor DVD, follow these care guidelines:

- **Handling:** Always hold the DVD by its outer edges or by placing a finger through the center hole. Avoid touching the shiny playback surface.
- **Cleaning:** If the disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive materials or harsh cleaning chemicals.
- **Storage:** Store the DVD in its original case, away from direct sunlight, extreme temperatures, and high humidity. Keep it in a vertical position to prevent warping.
- **Avoid Scratches:** Do not place the disc on rough surfaces. Scratches can lead to playback errors.

7. TROUBLESHOOTING

If you encounter issues while playing your Thor DVD, consider the following common solutions:

- **Disc Not Playing:** Ensure the disc is clean and free of scratches. Verify it is inserted correctly into the player.
- **Skipping or Freezing:** Clean the disc as described in the Care and Maintenance section. Check if your DVD player's lens needs cleaning (refer to your player's manual).
- **No Audio/Video:** Confirm that your DVD player is connected to your TV and the correct input source is selected. Check audio/video cable connections.

- **Region Code Error:** Ensure your DVD player is compatible with Region 1 DVDs (North America). This DVD is typically encoded for Region 1.
- **Menu Navigation Issues:** Check your remote control's batteries. Ensure there are no obstructions between the remote and the player.
