## SETUP

1. **Initial Cleaning:** Before first use, wash the interior and exterior of the cooler with mild soap and warm water. Rinse thoroughly and allow to air dry.
2. **Pre-cooling (Optional):** For optimal performance, pre-cool the cooler by placing ice or ice packs inside for a few hours before adding your items.

## OPERATING INSTRUCTIONS

1. **Loading the Cooler:** Place your desired food and beverages inside. For best results, use a combination of ice and ice packs. Fill the cooler as much as possible to minimize air space, which helps maintain cold temperatures.
2. **Securing the Lid:** Ensure the FlipLid is securely closed to prevent cold air from escaping.
3. **Using the FlipLid as a Tray:** The lid can be reversed and used as a tray table. Simply detach the lid, flip it over, and place it back on the cooler's rim. The molded cup holders will be accessible on the top surface.
4. **Carrying the Cooler:** Use the sturdy bail handle for convenient one-handed transport.

## MAINTENANCE AND CARE

1. **Cleaning:** After each use, clean the cooler with mild soap and warm water. For stubborn stains, a non-abrasive cleaner can be used. Rinse thoroughly and dry completely before storage.
2. **Drying:** Ensure the cooler is completely dry before closing the lid for storage to prevent mold or mildew growth.
3. **Storage:** Store the cooler in a cool, dry place away from direct sunlight.

## TROUBLESHOOTING

- **Poor Ice Retention:** Ensure the lid is securely closed. Pre-cool the cooler before use. Maximize the amount of ice and minimize air space inside. Avoid opening the lid frequently.
- **Difficulty Cleaning:** For tough stains, use a mixture of baking soda and water, or a specialized cooler cleaner. Always rinse thoroughly.
