Timeless Skin Care TSC 20% Vitamin C+E FerulicAcid Serum1oz

Timeless Skin Care Vitamin C Serum User Manual

Model: TSC 20% Vitamin C+E FerulicAcid Serum1oz

1. Product Overview

The Timeless Skin Care Vitamin C Serum with Vitamin E & Ferulic Acid is an enriched serum designed to support bright skin and healthy skin cell turnover. This advanced formula combines 20% Vitamin C with Vitamin E and Ferulic Acid to promote an even skin tone and texture, while also supporting the skin's defense against environmental pollutants. It is suitable for both oily and dry skin types and is formulated without parabens, fragrances, or dyes.

2. Safety Information

- For external use only.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Keep away from naked flame or direct heat sources.
- Discontinue use if irritation or redness occurs. Consult a dermatologist if symptoms persist.
- Store in a cool, dark place to maintain product efficacy. Refrigeration is recommended.

3. Ingredients

Water, Ethoxydiglycol, L-Ascorbic Acid, Propylene Glycol, Alpha Tocopherol, Polysorbate 80, Panthenol, Ferulic Acid, Sodium Hyaluronate, Benzylalcohol, Dehydroacetic Acid.
This serum contains 20% L-Ascorbic Acid (Vitamin C), an antioxidant that helps build collagen and improve skin tone. Vitamin E and Ferulic Acid are included to extend the shelf life and enhance the effectiveness of Vitamin C. Sodium Hyaluronate provides hydration.

4. Operating Instructions (Directions for Use)

1. **Preparation:** Wash the area to be treated (face, neck, décolletage) as you normally would. Ensure skin is clean and dry before application.
2. **Application:** Apply 2-3 pumps of serum onto your fingertips. Gently massage into the desired area until fully absorbed.
3. **Frequency:** Use daily, preferably in the morning.
4. **Sun Protection:** If applying in the morning, always follow with a broad-spectrum sunscreen.
5. **Note:** This product may cause exfoliation. It is not recommended for individuals with oily skin due to the presence of Vitamin E, which can be comedogenic for some skin types.

5. Maintenance and Storage

To ensure the longevity and efficacy of your Timeless Skin Care Vitamin C Serum, store it in a cool, dark place, away from direct sunlight and heat. Refrigeration is highly recommended to preserve the potency of Vitamin C, which is sensitive to light and air. The airless pump packaging helps minimize exposure to oxygen, further extending its shelf life. Always ensure the cap is securely replaced after each use.

The "best by" date is typically printed on the product packaging. For optimal results, it is recommended to use the product within 3 months of opening.

Image: Information highlighting that Vitamin C can oxidize and change color, and the importance of the "best by" date.

6. Troubleshooting

- **Product Discoloration:** If the serum appears yellow or brownish, it may have oxidized. While still safe to use, its efficacy might be reduced. Store in a cool, dark place or refrigerate to prevent oxidation.
- **Skin Irritation:** If you experience redness, itching, or discomfort, reduce frequency of use or discontinue if severe. Ensure your skin is completely dry before application.
- **Lack of Results:** Consistent daily use is key. Ensure proper storage to maintain potency. Combine with a daily sunscreen for enhanced protection and results.

7. Specifications

Attribute	Detail
Brand	Timeless Skin Care
Model Number	TSC 20% Vitamin C+E FerulicAcid Serum1oz
Product Dimensions	2.1 x 2.1 x 4.9 inches
