CASARIA 990027

CASARIA® Sydney Wooden Garden Dining Table and Chairs Set Instruction Manual

Model: 990027

Introduction

Thank you for choosing the CASARIA® Sydney Wooden Garden Dining Table and Chairs Set. This 5-piece set, crafted from FSC®-certified acacia wood, is designed for outdoor use, offering both functionality and aesthetic appeal for your garden, patio, or balcony. This manual provides essential information for the proper setup, operation, maintenance, and care of your new furniture set.

Product Features

- **High-Quality Construction:** Made from FSC®-certified, weather-resistant acacia wood, ensuring durability and sustainability.
- **Practical Folding Function:** Both the table and chairs can be easily folded for convenient storage, ideal for smaller spaces.
- **Natural Material:** Acacia wood offers natural beauty with a unique grain and is suitable for permanent outdoor use.
- **Dimensions:** Table measures 120 x 70 x 75 cm (LxWxH). Chairs measure 51 x 59 x 92 cm (WxDxH) with a seat height of 45 cm and armrest height of 62 cm.
- **Load Capacity:** Chairs support up to 160 kg, and the table supports up to 80 kg.

Image: An overview of the key benefits of the CASARIA furniture, including its FSC certification, ease of care, quick assembly, foldable design for space-saving, high load capacity, and timeless aesthetic.

Setup and Assembly

Your CASARIA® Sydney Garden Dining Set requires assembly. While the process is straightforward, careful attention to the instructions is recommended. Ensure all components are present before beginning assembly. It is advisable to have a second person assist with the assembly of larger components like the table.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in your packaging.
2. Begin with the chairs, assembling one at a time. Attach the seat and backrest to the frame, securing all screws loosely at first.
3. Once all parts of a chair are in place, gradually tighten all screws to ensure stability. Do not overtighten.
4. Proceed to assemble the table. Attach the legs and support beams according to the diagrams.

5. Ensure all connections are secure before using the furniture.

Image: Detailed dimensions of the CASARIA garden chair, illustrating its width (56 cm), depth (54 cm), and height (90 cm) when open, and its compact folded dimensions (111 cm height, 12 cm depth).

Operation

The CASARIA® Sydney Garden Dining Set is designed for ease of use and storage, featuring a practical folding mechanism for both the table and chairs.

Folding and Unfolding:

- **Chairs:** To fold a chair, gently lift the seat and push the backrest forward until the chair collapses into its compact form. To unfold, reverse the process, ensuring the seat locks securely into place.
- **Table:** The table features an X-form leg structure that allows it to fold flat. Carefully release any locking mechanisms and fold the legs inwards. To unfold, extend the legs until they are fully open and stable.

Always ensure the furniture is fully extended and stable before use to prevent accidents. When folding, be mindful of pinch points.

Maintenance and Care

To preserve the beauty and longevity of your acacia wood furniture, regular maintenance is essential. Acacia is a natural material and may undergo typical changes due to external influences like sunlight and moisture.

Care Instructions:

- **Cleaning:** Wipe the furniture with a dry cloth to remove dust and dirt. For more stubborn marks, use a damp cloth with mild soap, then dry thoroughly.
- **Wood Treatment:** To maintain the original color and protect the wood, we recommend treating it with a suitable care oil for acacia wood at regular intervals. Apply the oil with a soft cloth, following the product's instructions.
- **Protection:** While weather-resistant, prolonged exposure to harsh weather conditions (e.g., heavy rain, direct intense sunlight, frost) can affect the wood. Consider using a protective cover or storing the furniture indoors during extreme weather or off-season.
- **Storage:** Utilize the folding function to store the furniture in a dry, sheltered area when not in use for extended periods.

Image: The FSC (Forest Stewardship Council) logo, certifying that the wood used in this product comes from 100% responsibly managed forests, promoting environmental sustainability.

Safety Information

Adhere to the following safety guidelines to ensure safe use of your garden furniture:

- Avoid exposing the furniture to direct sunlight or harsh weather conditions for prolonged periods without protection.
- Regularly apply care oil to maintain the wood's quality and prevent color changes.
- Be cautious when folding and unfolding the furniture to avoid injury from moving parts or pinch points.
- Keep the furniture away from heat sources, open flames, and extreme temperatures.
- Do not place heavy objects on the table when it is in a folded or unstable position.
- Ensure the furniture is placed on a stable, level surface to prevent tipping.
- Do not exceed the stated load capacities for the chairs (160 kg) and table (80 kg).

Troubleshooting

Should you encounter any issues with your CASARIA® Sydney Garden Dining Set, please refer to the following common troubleshooting tips:

- **Assembly Difficulties:** If you find assembly challenging, double-check all steps against the provided instructions. Ensure you are using the correct screws and parts for each section. Sometimes, loosening all screws slightly before final tightening can help align components.
- **Wobbly Furniture:** Ensure all screws are tightened evenly. Check that the furniture is placed on a flat, stable surface. Uneven ground can cause instability.
- **Wood Discoloration/Drying:** This is normal for natural wood exposed to elements. Apply a suitable wood care oil as per the maintenance section to restore color and moisture.
- **Missing Parts:** If any parts are missing or damaged upon delivery, please contact customer support immediately with your purchase details.

Specifications

Attribute	Detail
Brand	CASARIA
Model Number	990027
Material	Acacia Wood (FSC®-Certified)
Table Dimensions (LxWxH)	120 x 70 x 75 cm
Chair Dimensions (WxDxH)	51 x 59 x 92 cm
Seat Height	45 cm
