## BRIO 33505

# BRIO World 33505 Travel Train Set Instruction Manual

Model: 33505

## 1. INTRODUCTION

The BRIO World 33505 Travel Train Set is a 5-piece wooden toy set designed for toddlers aged 3 years and up. This set includes a 3-car train, a poseable BRIO engineer figure, and a passenger figure. The train features hinged cabs and passenger cars for interactive play. This set is fully compatible with all other BRIO railway toys, allowing for expanded play possibilities.

## 2. WHAT'S IN THE BOX

The BRIO World 33505 Travel Train Set includes the following components:

- 1 x Train Engine (red and grey)
- 2 x Passenger Wagons (red and grey)
- 1 x Engineer Figure (red uniform)
- 1 x Passenger Figure (green shirt)

Figure 2: All 5 pieces included in the Travel Train Set.

## 3. SETUP

The BRIO World 33505 Travel Train Set requires no assembly. It is ready for play directly out of the packaging.

1. Carefully remove all components from the packaging.
2. Place the train engine and wagons onto any compatible BRIO wooden train track.
3. Position the engineer and passenger figures as desired within the train cars.

Figure 3: The train set ready for play on a wooden track.

## 4. OPERATION

The Travel Train Set is designed for manual play and interaction. It does not require batteries or external power.

- **Connecting Cars:** The train cars connect using magnetic couplings. Simply bring the ends of two cars together for them to attach.
- **Placing Figures:** The train engine and passenger wagons feature hinged roofs. Lift the roof to place the engineer or passenger figure inside the designated seating area. Close the roof to secure the figure.
- **Movement:** Push the train along any compatible BRIO wooden railway track to simulate travel.

Figure 4: Demonstrating how to place figures into the train cars by lifting the hinged roof.

Video 1: A brief product summary demonstrating the train's features and interaction with figures.

## 5. MAINTENANCE

To ensure the longevity and safety of your BRIO World Travel Train Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the train cars and figures with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or material.
- **Storage:** Store the set in a dry place away from direct sunlight and extreme temperatures to prevent warping or fading of the wood and plastic components.
- **Inspection:** Periodically inspect all parts for any signs of wear, damage, or loose components. Discontinue use if any part is broken or poses a safety risk.

## 6. TROUBLESHOOTING

This section addresses common minor issues you might encounter with the Travel Train Set.

| Problem                         | Solution   |
|---------------------------------|--|
| Train cars do not connect.      | Ensure the magnetic couplings are clean and free from debris. Bring the cars close enough for the magnets to engage.   |
| Figures do not fit inside cars. | Ensure the hinged roof is fully open. Position the figure in a seated posture. The figures are designed to fit snugly. |

| Problem                   | Solution  |
|---------------------------|---|
| Train derails frequently. | Check that the track pieces are properly connected and laid on a flat, stable surface. Ensure the train wheels are clean. |

## 7. SPECIFICATIONS

| Feature                     | Detail                                  |
|-----------------------------|---|
| Brand                       | BRIO                                    |
| Model Number                | 33505                                   |
