Moroccanoil MO-BRUSH

Moroccanoil Ionic Paddle Brush: User Manual

Model: MO-BRUSH

PRODUCT OVERVIEW

The Moroccanoil Ionic Paddle Brush is designed for creating sleek styles and smooth blowouts. It is suitable for all hair lengths and types. This brush incorporates ionic properties and ceramic materials to enhance hair health and styling efficiency. A concealed section tip is integrated into the handle for convenience.

FEATURES AND BENEFITS

- **Ionic Bristles:** Designed to repel water, contributing to faster drying times.
- **Flat Shape:** Ideal for achieving straight, smooth hair styles.
- **Ceramic Material:** Helps protect hair from excessive heat and reduces overall drying time.
- **Even Heat Distribution:** Ionic properties ensure heat is distributed uniformly, enhancing drying efficiency and boosting hair shine.

- **Concealed Section Tip:** A pointed tip is stored within the handle, useful for parting and sectioning hair during styling.

SETUP

The MoroccanOil Ionic Paddle Brush requires no assembly. Simply remove the brush from its packaging before first use. The concealed section tip can be found by gently pulling the orange cap at the end of the handle.

OPERATING INSTRUCTIONS

1. Ensure hair is detangled to prevent breakage. For best results, use on wet or dry hair.
2. Hold the brush by its handle.
3. Gently work the brush through sections of hair, starting from the ends and moving towards the roots.
4. Repeat brushing until the desired smoothness and style are achieved.

5. For blowouts, use the brush in conjunction with a hairdryer, guiding the hair as it dries. The ionic and ceramic properties will assist in faster drying and reduced frizz.
6. To use the section tip, remove it from the handle and use the pointed end to create precise hair partings. Reinsert the tip into the handle for storage.

MAINTENANCE AND CARE

- **Cleaning:** Regularly remove loose hair from the bristles. The concealed section tip can be used to help lift hair from the brush base. Wash the brush head with mild soap and water, then rinse thoroughly. Allow to air dry completely before next use.
- **Storage:** Store the brush in a clean, dry place away from direct sunlight or extreme temperatures.
- **Inspection:** Periodically inspect the bristles and handle for any signs of wear or damage. Discontinue use if the brush is damaged.

TROUBLESHOOTING

- **Hair not detangling effectively:** Ensure hair is free of excessive knots before brushing. Use the brush gently, starting from the ends and working upwards. Consider using a detangling spray or conditioner.
- **Static in hair:** The ionic properties are designed to reduce static. If static persists, ensure hair is adequately moisturized.

SPECIFICATIONS

Feature	Detail
Model Number	MO-BRUSH
Product Dimensions	3.5 x 1.5 x 10 inches
Item Weight	0.08 Kilograms (2.86 ounces)
Manufacturer	Moroccanoil Israel Ltd.
