3. USAGE INSTRUCTIONS

3.1 Aromatic Use

For aromatic benefits, diffuse Clarity Essential Oil Blend in an essential oil diffuser. Alternatively, place a few drops in bath water or on a cotton ball and place it in air vents to disperse the aroma throughout a room.

Using Essential Oils *Internally*

If you think an oil smells terrific, wait until you taste it! You can season your favorite dish or flavor a drink with certain grades of essential oils.

3.2 Topical Use

Apply Clarity Essential Oil Blend topically to desired areas. Common application points include the temples, wrists, and neck. Dilution is generally not required for most skin types, but for individuals with sensitive skin, it is recommended to dilute with a carrier oil such as Young Living V-6 Vegetable Oil Complex or olive oil.

3.3 Internal Use (Consult Physician)

For internal use, it is suggested to place a couple of drops into a vegetable capsule with a carrier oil (such as Young Living V-6 Vegetable Oil Complex) and ingest. Always consult with a healthcare professional before internal use, especially if pregnant, nursing, or under medical care.

4. SAFETY INFORMATION

Please observe the following safety guidelines when using Young Living Clarity Essential Oil Blend:

- **Skin Sensitivity:** Possible skin sensitivity may occur. Perform a patch test on a small area of skin before widespread use. If irritation occurs, discontinue use.

- **Pregnancy/Medical Conditions:** If you are pregnant, nursing, taking medication, or have a medical condition, consult your physician before use.
- **Children:** Generally safe for children over 2 years of age. Always dilute for children and supervise application.
- **Eye Contact:** Avoid contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with a carrier oil (like olive oil), not water.
- **Storage:** Keep out of reach of children. Store in a cool, dark place away from direct sunlight and heat.
