MAINTENANCE AND CARE

To ensure the longevity and appearance of your Eastern Diamondback Rattlesnake replica, follow these care guidelines:

- **Cleaning:** Wipe the replica gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the paint and material.
- **Storage:** Store the replica in a cool, dry place away from direct sunlight to prevent fading or material degradation.
- **Handling:** While durable, avoid dropping the replica or subjecting it to extreme force, which could cause breakage or damage to fine details.

Image 4: A detailed close-up of the snake's head, highlighting the open mouth, fangs, and intricate scale texture.

TROUBLESHOOTING

As a static replica, this product has minimal troubleshooting requirements. However, if you encounter any issues:

- **Minor Scratches/Marks:** For superficial marks, gently clean the area as described in the Maintenance section. Avoid aggressive scrubbing.
- **Damage:** In case of significant damage (e.g., a broken part), contact Safari Ltd customer support for guidance. Attempting repairs with strong adhesives may alter the product's appearance.
- **Fading Color:** Ensure the product is stored away from direct sunlight to prevent color fading over time.
