3. OPERATING AND GAMEPLAY

The Lord of the Rings: War in the North is an action RPG designed with co-op gameplay at its core. Players will form a fellowship of three heroes to confront the growing army in the North, fighting together against Sauron's forces.

3.1 Playable Characters and Co-op Gameplay

Players can choose to embody one of three distinct characters:

- **Eradan:** A Dúnedain ranger, capable of combining objects to create unique items.
- **Andriel:** An Elf, possessing superior sight for finding shortcuts and recognizing threats.
- **Farin:** A Dwarf, with the ability to notice weaknesses in walls to uncover secret caves and loot.

Each race offers unique abilities and character class possibilities, along with legendary weapons. Cooperation is key, as players must work together to combat hordes of enemies including goblins, Uruk-hai, savage wargs, giant spiders, massive trolls, and powerful bosses like Agandaûr.

4. TROUBLESHOOTING

While the game is generally stable, some users have reported specific issues. Here are common concerns and general advice:

- **Game Crashes:** Some users have experienced crashes, particularly in specific areas or during the final stages of the game.
 - Ensure your graphics drivers are up to date.
 - Verify game file integrity through your game client (e.g., Steam).
 - Reduce in-game graphics settings if crashes persist.
 - Check for any official patches or community fixes.
- **Lack of In-Game Tutorials/Save System Clarity:** The game has been noted for a lack of explicit tutorials and a less intuitive save system.
 - The game primarily uses an autosave system. Look for visual cues like a gold ring appearing at the bottom of the screen, which indicates content is being saved.
 - Experiment with character abilities and item crafting to understand their mechanics.
 - For detailed guidance, consider consulting online community guides or walkthroughs.
- **Character Gear and Leveling Issues (Multiplayer/Switching Characters):** When switching between characters or playing in co-op, some users reported issues with gear not transferring or characters not auto-leveling.
 - It is recommended to play through the game with one primary character to avoid potential gear and leveling discrepancies.
 - If switching characters, be prepared to re-equip and re-allocate skill points for the newly selected character.
