Tide TIDEWM7PK

Tide Washing Machine Cleaner with Oxi User Manual

Brand: Tide | Model: TIDEWM7PK

INTRODUCTION

The Tide Washing Machine Cleaner with Oxi is designed to deep clean and freshen your washing machine. This product helps eliminate odor-causing residues and deposits that can accumulate in both front-load and top-load washing machines, including High-Efficiency (HE) models. Regular use contributes to a cleaner machine and fresher laundry.

IMPORTANT SAFETY INFORMATION

CAUTION: EYE IRRITANT. MAY BE HARMFUL IF SWALLOWED. KEEP OUT OF REACH OF CHILDREN AND PETS.

First Aid Treatment:

- In case of eye contact, flush with water for 15 minutes.
- If swallowed, give a glassful of water or milk. Do not induce vomiting.
- Call a Poison Control Center or doctor immediately if irritation persists or if swallowed.

This product is not a laundry detergent. Not for use with clothes.

SETUP AND PREPARATION

Before using Tide Washing Machine Cleaner, ensure that your washing machine is completely empty. Remove all clothing or any other items from the washer drum.

SIMPLE & EASY

EMPTY
the
washing
maschine

POUR
1 pouch
directly into
the tub

RUN
a normal,
hot water
wash cycle

Safe for all washing machines
including

OPERATING INSTRUCTIONS

Follow these steps to clean your washing machine effectively:

1. **Empty Washer:** Ensure the washing machine is empty of all laundry items.
2. **Add Cleaner:**
 - For **top-load washing machines**, pour one pouch of Tide Washing Machine Cleaner directly into your washer tub.
 - For **front-load washing machines**, pour one pouch of Tide Washing Machine Cleaner into your detergent dispenser drawer.
3. **Select Cycle:** Run the washer on a **Normal** cycle. Select the **HOT** water setting for best results.
4. **Start Cycle:** Initiate the wash cycle. The cleaner will dissolve and work to remove odors and residues.

Tide Washing Machine Cleaner is compatible with all washing machines, including front loaders, top loaders, high-efficiency (HE), and non-HE models from various brands like Whirlpool, Electrolux, GE, LG, Miele, Samsung, Maytag, and Speed Queen.

MAINTENANCE

For ongoing maintenance and to keep your machine fresh, use one pouch of Tide Washing Machine Cleaner once a month. After each use, it is recommended to leave the washer door open to allow for air circulation.

TROUBLESHOOTING ODOR AND RESIDUE ISSUES

If you are experiencing an existing odor problem or visible residue in your washing machine, follow these steps:

1. Use one pouch of Tide Washing Machine Cleaner per week for three consecutive weeks.
2. After the initial three weeks, continue with the regular maintenance schedule of one pouch per month.

PRODUCT FEATURES

- **Odor and Residue Removal:** Specially designed surface active ingredients, Oxi, and TAED penetrate and lift away odor-causing residues and deposits.
- **Fast-Dissolving Powder:** The powder formula dissolves faster than tablets, allowing for quicker and deeper cleaning action.
- **Enhanced Cleaning Power:** Contains TAED (Tetraacetylenediamine) which activates in hard water conditions, boosting cleaning performance by over 20% compared to Oxi alone.
- **Fresh Scent:** Leaves your washing machine with a mild, fresh, clean scent.
- **Universal Compatibility:** Safe and effective for all types of washing machines, including front-load, top-load, HE, and non-HE models.

REMOVES ODOR & RESIDUE

- ✔ Odor-Fighting Technology
- ✔ Long-Lasting Freshness
- ✔ Safe For All Washing Machines
- ✔ 5X More Cleaning Power vs Leading Value Brand

Why Choose Tide Washing Machine Cleaner?

Tide Washing Machine Cleaner With BLUE MAGIC	Other Washing Machine Cleaners
 Exclusive Blue Magic Power + OXI - Boosts cleaning performance by 20%+ compared to Oxi alone. Works even in hard water.	 No Blue Magic Power - Other cleaners can't match this level of deep clean.
 Fast-Dissolving Powder - Works quickly for a longer, deeper clean.	 Slow-Dissolving Tablets - Less effective cleaning action.
 5X More Cleaning Power - Delivers a deeper, more effective clean than the leading value brand.	 Weaker Formula - Less cleaning power, leaving behind more residue and buildup.

**Experience the power of Tide
- stronger, faster, and more effective!**

Image: Comparison of Tide's powder formula versus slower-dissolving tablets from other brands.

Activates **20% FASTER** Than Tablets

Experience a powerful
deep clean for your
entire washing machine!
