This image displays the complete DreamWorks How to Train Your Dragon Dragon Training 101 Set. The set is contained within a translucent blue circular carrying case with a blue fabric handle. Inside, visible items include two pencils decorated with dragon characters, two erasers (one shaped like Toothless), a small memo pad featuring Hiccup and Toothless, a magnet sheet with various dragon characters, and a tape dispenser. The items are arranged neatly within the case, ready for use.

SETUP

The Dragon Training 101 Set comes pre-assembled within its carrying case. No complex setup is required. Simply open the zipper of the carrying case to access the contents.

1. Unzip the circular carrying case.
2. Carefully remove each item from its designated slot within the case.
3. Inspect all items for any damage before first use.

OPERATING INSTRUCTIONS

Each component of the set is designed for standard use in drawing, writing, and organizing.

Pencils

- Use for writing or drawing on paper.

- Sharpen with a standard pencil sharpener as needed.

Erasers

- Use to remove pencil marks from paper.
- Rub gently over the desired area until the mark is removed.

Memo Pad

- Use for jotting down notes, drawing, or quick sketches.
- Tear off sheets as needed.

Magnet Sheet

- The magnet sheet contains various character magnets.
- Carefully detach individual magnets from the sheet.
- Apply magnets to metallic surfaces such as refrigerators or whiteboards.

Tape Dispenser

- Pull the tape from the dispenser to the desired length.
- Use the serrated edge to cut the tape.
- To replace tape, carefully open the dispenser and insert a new roll of compatible size.

Carrying Case

- Use the carrying case to store all components of the set when not in use.
- Ensure all items are securely placed in their respective slots before zipping the case closed.
- The handle allows for easy transport.

MAINTENANCE

Proper maintenance ensures the longevity of your Dragon Training 101 Set.

- **Cleaning:** Wipe the carrying case and plastic items with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight and extreme temperatures.
- **Pencils:** Keep pencils sharpened to a fine point for best results.
- **Erasers:** Keep erasers clean by rubbing them on a scrap piece of paper to remove accumulated graphite.

TROUBLESHOOTING

If you encounter any issues with your set, consider the following common solutions:

- **Pencil lead breaks frequently:** Ensure you are using a sharpener designed for the pencil's diameter and that the pencil is not dropped or subjected to excessive pressure.
- **Eraser smudges:** Ensure the eraser is clean. If the paper is thin or textured, some smudging may occur.
- **Tape dispenser not cutting:** Check if the serrated edge is clear of adhesive residue. Clean gently if necessary.
- **Magnets not sticking:** Ensure the surface is metallic and clean. Magnets may lose strength over time or if exposed to strong magnetic fields.
