Incase CL57475

Incase Neoprene Sleeve for iPad (Black) Instruction Manual

Model: CL57475

1. PRODUCT OVERVIEW

The Incase Neoprene Sleeve is designed to provide protective storage for your iPad. Its construction focuses on safeguarding your device from minor impacts and scratches during transport and storage. The sleeve features a form-fitting design that cradles the iPad securely.

- **Form-fitting Construction:** Ensures a snug fit for your device.
- **Protective Interior Border:** Adds an extra layer of cushioning around the edges.
- **Perforated Spine:** Designed for flexibility and breathability.
- **Cushioned, Fully Lined Faux-Fur Interior:** Provides a soft, scratch-free environment for your iPad.

2. SETUP

To prepare your Incase Neoprene Sleeve for use, follow these steps:

1. **Unzip the Sleeve:** Locate the zipper on the side of the sleeve and fully open it.

2. **Insert Your iPad:** Carefully slide your iPad into the sleeve. Ensure it is positioned flat against the faux-fur interior.
3. **Close the Zipper:** Once the iPad is fully inside, gently close the zipper. Avoid forcing the zipper if there is resistance.

The sleeve is designed for a snug fit. If your iPad has an additional thin cover or keyboard attachment, it may still fit, but ensure there is no excessive strain on the zipper or seams.

3. OPERATING INSTRUCTIONS

The Incase Neoprene Sleeve is intended for daily use to protect your iPad. It is suitable for carrying your device within a larger bag, backpack, or by hand.

- **Protection:** The neoprene material and faux-fur lining offer protection against scratches, dust, and minor bumps.
- **Portability:** Its slim design allows for easy insertion into other bags without adding significant bulk.
- **Security:** The zipper closure keeps your iPad securely contained within the sleeve.

4. MAINTENANCE

To ensure the longevity and appearance of your Incase Neoprene Sleeve, follow these maintenance guidelines:

- **Cleaning the Exterior:** For general cleaning, wipe the neoprene exterior with a damp cloth and mild soap. Allow it to air dry completely. Do not machine wash or tumble dry.
- **Cleaning the Interior:** The faux-fur interior can be gently cleaned with a lint roller or a soft, dry cloth to remove dust or debris.
- **Stain Removal:** For stubborn stains, use a specialized neoprene cleaner or a small amount of rubbing alcohol on a

cloth, testing on an inconspicuous area first.

- **Storage:** Store the sleeve in a cool, dry place away from direct sunlight when not in use.

5. TROUBLESHOOTING

If you encounter issues with your Incase Neoprene Sleeve, consider the following:

- **iPad Does Not Fit:** Ensure your iPad model is compatible with the sleeve's dimensions. The sleeve is designed for a specific iPad size. If your iPad has a thick case or accessory attached, it may alter the fit.
- **Zipper Sticking:** If the zipper is difficult to operate, check for any fabric caught in the teeth. Avoid forcing the zipper, as this can cause damage. A small amount of zipper lubricant can be applied if necessary.
- **Sleeve Appears Loose:** The sleeve is designed to fit the iPad snugly. If it feels excessively loose, verify that you have the correct sleeve size for your specific iPad model.

6. SPECIFICATIONS

Feature	Detail
Brand	Incase
Model Number	CL57475
Color	Black
Material	Neoprene
Form Factor	Sleeve
Compatible Devices	Tablets (specifically designed for iPad)
Item Dimensions (L x W x H)	1.13 x 8.25 x 10.63 inches
Item Weight	7.2 ounces
UPC	650450157511, 650450135953

7. WARRANTY AND SUPPORT

For information regarding warranty coverage, product support, or to address any specific concerns not covered in this manual, please contact Incase customer service directly. Refer to the official Incase website or your purchase documentation for contact details and warranty terms applicable to your region.
