## SETUP

---

Your Hot Wheels 50-Pack is designed for immediate enjoyment. No assembly is required for the vehicles themselves.

1. **Unboxing:** Carefully open the Hot Wheels branded box.
2. **Vehicle Access:** Each vehicle is individually packaged. Remove the desired vehicles from their packaging.
3. **Storage:** The branded box can be used for convenient storage of your collection when not in use.

## OPERATING INSTRUCTIONS

---

Hot Wheels vehicles are designed for imaginative play and compatibility with various Hot Wheels track sets (sold separately).

## Basic Play

- **Free Rolling:** Simply push the vehicles along any flat, smooth surface for free-rolling action.
- **Track Play:** Place the vehicles on compatible Hot Wheels tracks. Ensure the wheels are properly aligned with the track grooves for optimal performance and speed.
- **Creative Play:** Use the diverse range of vehicles to create unique racing scenarios, rescue missions, or build an impressive display collection.

## MAINTENANCE

---

- **Cleaning:** Wipe vehicles with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals, abrasive materials, or excessive water, as this may damage the paint or decals.
- **Storage:** Store vehicles in the provided Hot Wheels box or a suitable container to prevent damage and loss. Keep them away from direct sunlight and extreme temperatures, which can cause fading or warping.
- **Inspection:** Periodically inspect vehicles for any loose parts or damage. Discontinue use if significant damage is observed to ensure safety.

## TROUBLESHOOTING

---

### Vehicle Not Rolling Smoothly

- **Check Wheels:** Ensure no debris (e.g., hair, lint) is caught in the axles or wheels. Gently remove any obstructions.
- **Surface:** Verify the play surface is clean and flat. Uneven or dirty surfaces can impede smooth rolling.
- **Track Compatibility:** If on a track, ensure the vehicle is correctly placed and the track pieces are securely connected. Some vehicles may perform better on certain track types.

## Paint Chipping

- **Normal Wear:** Minor paint chipping can occur with regular play, especially during collisions or rough handling. This is typical for toy vehicles and does not affect functionality.

## SAFETY INFORMATION

---

### WARNING:

Not suitable for children under 36 months due to small parts which may present a choking hazard.

Recommended for children 3 years and up.

Adult supervision is recommended during play, especially when using with track sets or other accessories.
