Crayola Broad Line Washable Markers (12 Count) Instruction Manual

This manual provides essential information for the safe and effective use, care, and maintenance of Crayola Broad Line Washable Markers, 12 assorted colors, model 58-7812.

BRAND: CRAYOLA | MODEL: 58-7812

1. Introduction

The Crayola Broad Line Washable Markers offer a set of 12 assorted colors designed for various artistic and creative activities. These markers feature a broad tip for versatile use and an Ultra Clean Washable Formula for easy cleanup.

2. Product Features

These markers are designed with several features to enhance the user experience:

- **12 Assorted Colors:** A selection of 12 vibrant colors for diverse artistic expression.
- **Broad Line Tip:** Allows for both thick lines for coloring large areas and thinner lines when angled.
- **Ultra Clean Washable Formula:** Ink washes easily from skin, most washable clothing, and painted walls.
- **Safe & Nontoxic:** Formulated to be safe for children aged 3 and up.
- **Durable Construction:** Designed to withstand pressure during use and maintain hydration when caps are properly secured.

3. Setup and Preparation

The Crayola Broad Line Washable Markers require minimal setup. Simply remove the markers from their packaging and ensure all caps are securely in place when not in use to prevent drying.

4. Operating Instructions

To use your Crayola Broad Line Washable Markers:

1. **Remove Cap:** Gently pull the cap off the marker.
2. **Drawing & Coloring:** Use the broad tip for bold strokes and filling large areas. For finer lines, hold the marker at an angle.
3. **Replace Cap:** Always replace the cap firmly after each use to prevent the marker from drying out.

5. Maintenance and Care

The Ultra Clean Washable Formula ensures easy cleanup. Follow these guidelines for best results:

- **Skin:** Wash promptly with soap and warm water. Repeat as necessary.
- **Clothing:** For best results, wash promptly in cold or hot wash cycle. Do not use prewash or chlorine bleach. Repeat laundering may be required.
- **Surfaces:** Wash promptly from most household surfaces. Keep away from wallpaper, finished and unfinished wood, vinyl, carpeting, and other materials that cannot be laundered.

6. Troubleshooting

If a marker appears dry or is not performing optimally:

- **Rehydration:** If a cap is left off and the marker dries out, you can attempt to rehydrate it. Soak the tip in a small amount of water for approximately 30 seconds. Replace the cap firmly and then balance the marker upright, cap side down, for about 24 hours. This may help restore ink flow.
- **Ink Transfer:** While highly washable, some surfaces may require more effort for complete removal. Always test on an inconspicuous area first.

7. Safety Information

Crayola Broad Line Washable Markers are certified non-toxic and safe for use by children aged 3 and up. Adult supervision is recommended for younger children during art activities.

8. Specifications

Feature	Detail
Manufacturer	Crayola
Item Model Number	58-7812
Item Weight	2.5 ounces
Product Dimensions	0.63 x 7.56 x 6.75 inches
