# Targus Spruce EcoSmart Travel Laptop Backpack

MODEL: TBB019US - USER MANUAL

## 1. Introduction

The Targus Spruce EcoSmart Travel Laptop Backpack (Model TBB019US) is designed for individuals requiring secure and organized transport of their laptop and essential items. This backpack accommodates laptops up to 17 inches and features a TSA-friendly design for efficient travel. Constructed from recycled materials, it emphasizes durability and environmental responsibility.

## 2. Features Overview

- **Patented SafePort Sling Drop Protection:** A dedicated, padded laptop compartment suspends your device, protecting it from impacts.
- **TSA Checkpoint Friendly Design:** The backpack unzips to lay flat, allowing for laptop screening without removal from the bag.
- **Comprehensive Organization:** Multiple compartments include a dedicated tablet pocket, quick-access front pockets, pen loops, business card holders, and a key clip.
- **Comfort and Support:** Padded back panel and adjustable shoulder straps provide ergonomic comfort during extended wear.
- **EcoSmart Construction:** Made from materials equivalent to 21 recycled water bottles, contributing to reduced environmental impact.
- **Trolley Strap:** Easily attaches to rolling luggage for convenient transport.

### 3. Setup

#### 3.1 Initial Inspection

Upon receiving your backpack, inspect it for any signs of damage or manufacturing defects. Ensure all zippers operate smoothly and all compartments are intact.

#### 3.2 Adjusting Shoulder Straps

1. Place the backpack on your back.
2. Adjust the lower straps to raise or lower the backpack until the padded back panel rests comfortably against your back.
3. Tighten or loosen the upper straps to ensure the backpack sits securely without excessive movement.

## 4. Operating Instructions

### 4.1 Laptop and Tablet Storage

Utilize the dedicated SafePort Sling compartment for your laptop (up to 17 inches). This compartment is designed to suspend your device, offering enhanced protection. A separate padded pocket is available for tablets.

Figure 3: Dedicated laptop compartment with SafePort Sling protection.

### 4.2 Organizing Essentials

The front organizational pocket includes various slots for pens, business cards, and a key clip. Additional quick-access pockets are available for smaller items. A side mesh pocket is suitable for a water bottle.

Figure 4: Front organizational pocket for small essentials.

### 4.3 TSA Checkpoint Procedure

For airport security, fully unzip the main laptop compartment to lay the backpack flat on the conveyor belt. This allows for X-ray screening of your laptop without removing it from the bag, streamlining the security process.

Figure 5: TSA-friendly lay-flat design for quick airport screening.

## 5. Maintenance

### 5.1 Cleaning Instructions

Spot clean the backpack with a damp cloth and mild soap. Do not machine wash or tumble dry. Allow the backpack to air dry completely before storing or reusing.

### 5.2 Zipper Care

Periodically check zippers for any debris or obstructions. If a zipper becomes stiff, apply a small amount of zipper lubricant or wax to ensure smooth operation.

Figure 6: Durable zippers designed for longevity.

### 6. Troubleshooting

- **Stiff Zippers:** Apply zipper lubricant or wax. Avoid forcing zippers to prevent damage.
- **Minor Stains:** Spot clean immediately with a damp cloth and mild soap.
- **Uncomfortable Fit:** Re-adjust shoulder straps and ensure the padded back panel is correctly positioned.

### 7. Specifications

Feature	Detail
Model Number	TBB019US
Compatible Laptop Size	Up to 17 inches
Product Dimensions (LxWxH)	19.5 x 6.75 x 13 inches
Item Weight	2.38 pounds
Color	Black
Material	EcoSmart (recycled plastic bottles)
