## Revell MP4-25

# Revell McLaren Mercedes MP4-25 No. 2 Plastic Model Kit

Instruction Manual

## 1. PRODUCT OVERVIEW

This Revell plastic model kit allows you to build a detailed replica of the McLaren Mercedes MP4-25, a Formula One car from the 2010 season. The MP4-25 featured highly improved aerodynamics and was notably driven by Lewis Hamilton. This kit provides an authentic modeling experience for enthusiasts.

## 2. WHAT'S IN THE BOX

Your Revell McLaren Mercedes MP4-25 model kit includes the following components:

- Plastic model parts for an eight-cylinder engine.
- Components for a detailed suspension system.
- Parts for a detailed cockpit.
- Chassis with diffuser elements.
- Front and rear wings.
- Authentic tires and rotating wheels.
- Authentic decals for the MP4-25 in Bahrain, Canada, and Great Britain GP versions.
- Illustrated assembly guide.

**Note:** Model glue and paint are not included and must be purchased separately.

## 3. ASSEMBLY INSTRUCTIONS

---

Follow the included illustrated assembly guide carefully for step-by-step instructions. Ensure you have a clean, well-lit workspace and the necessary tools, glue, and paints before beginning.

### 3.1 Engine Assembly

Assemble the multi-part eight-cylinder engine according to the diagrams. Pay attention to the orientation of each component for proper fit.

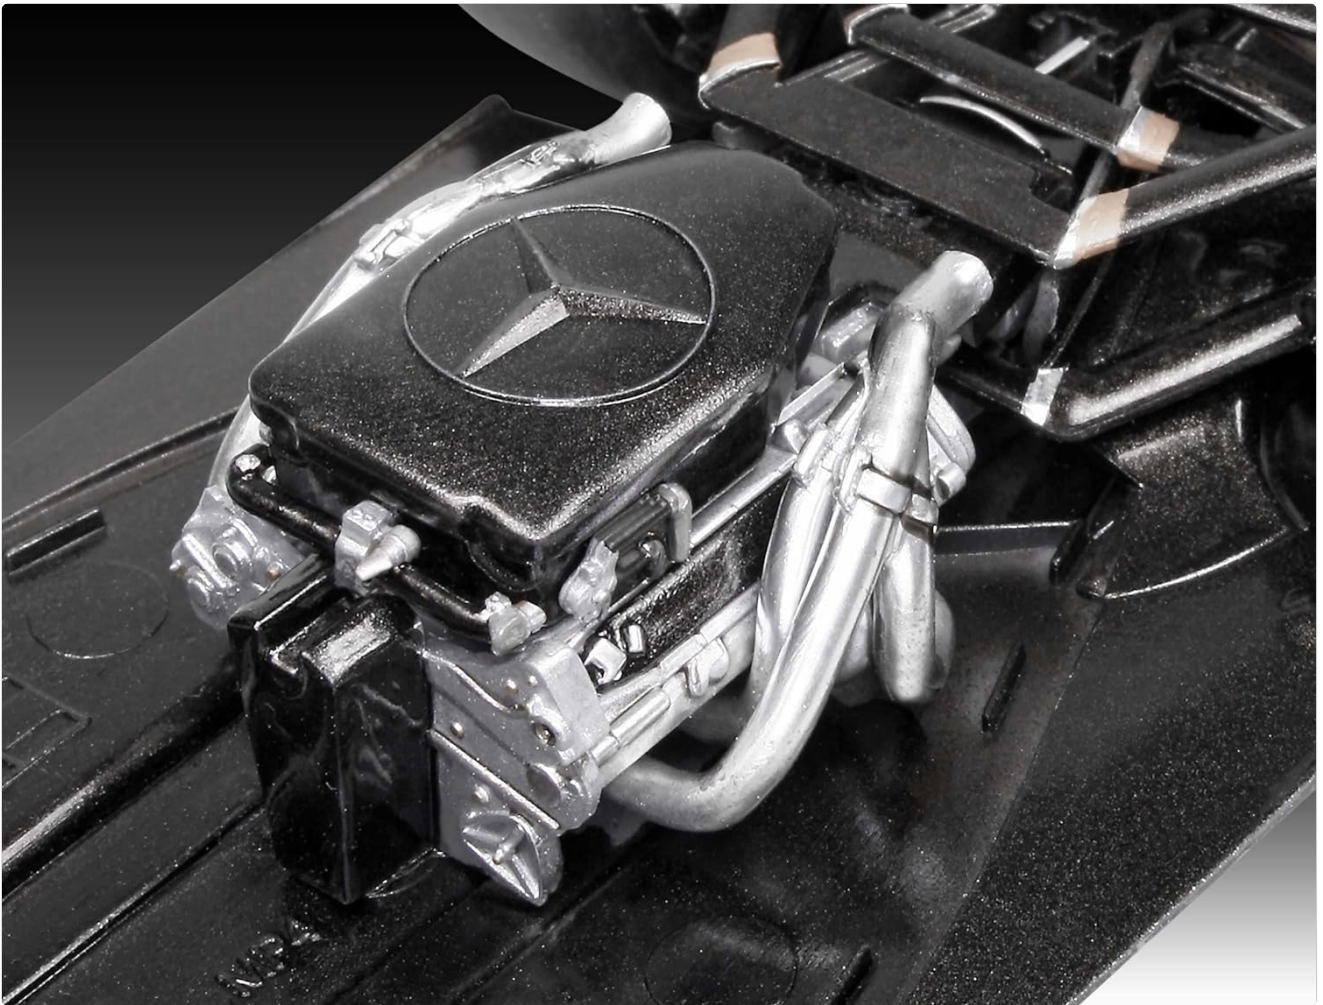

Image 3.1: Detail of the assembled eight-cylinder engine.

### **3.2 Chassis and Suspension**

Construct the true-to-life chassis, integrating the detailed suspension components. Ensure all parts are securely attached for structural integrity.

### **3.3 Aerodynamic Components**

Attach the realistic front and rear wings, along with the diffuser. These components are crucial for the model's authentic appearance.

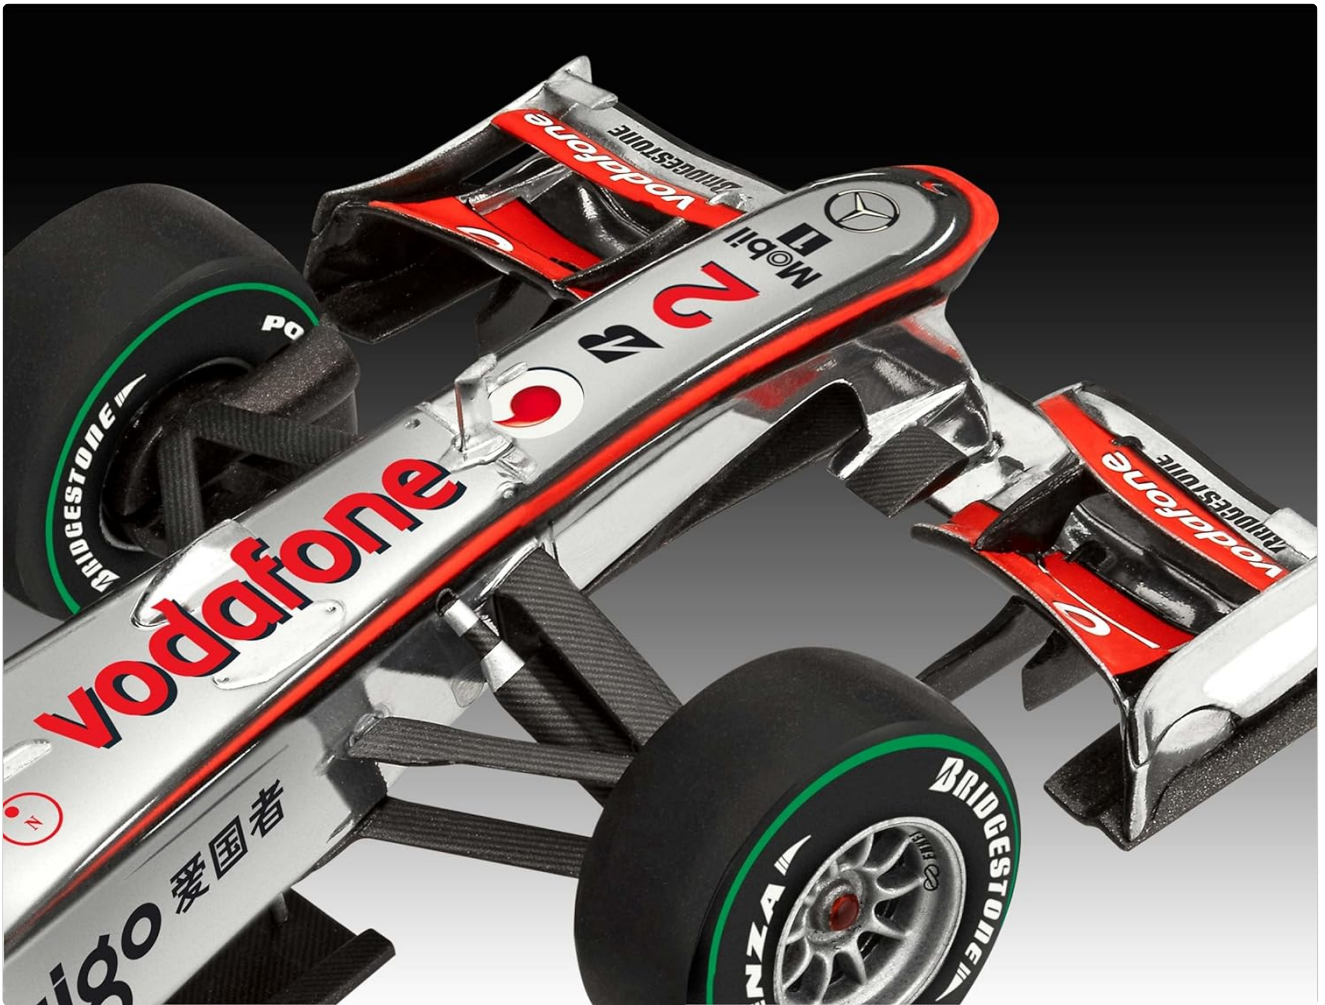

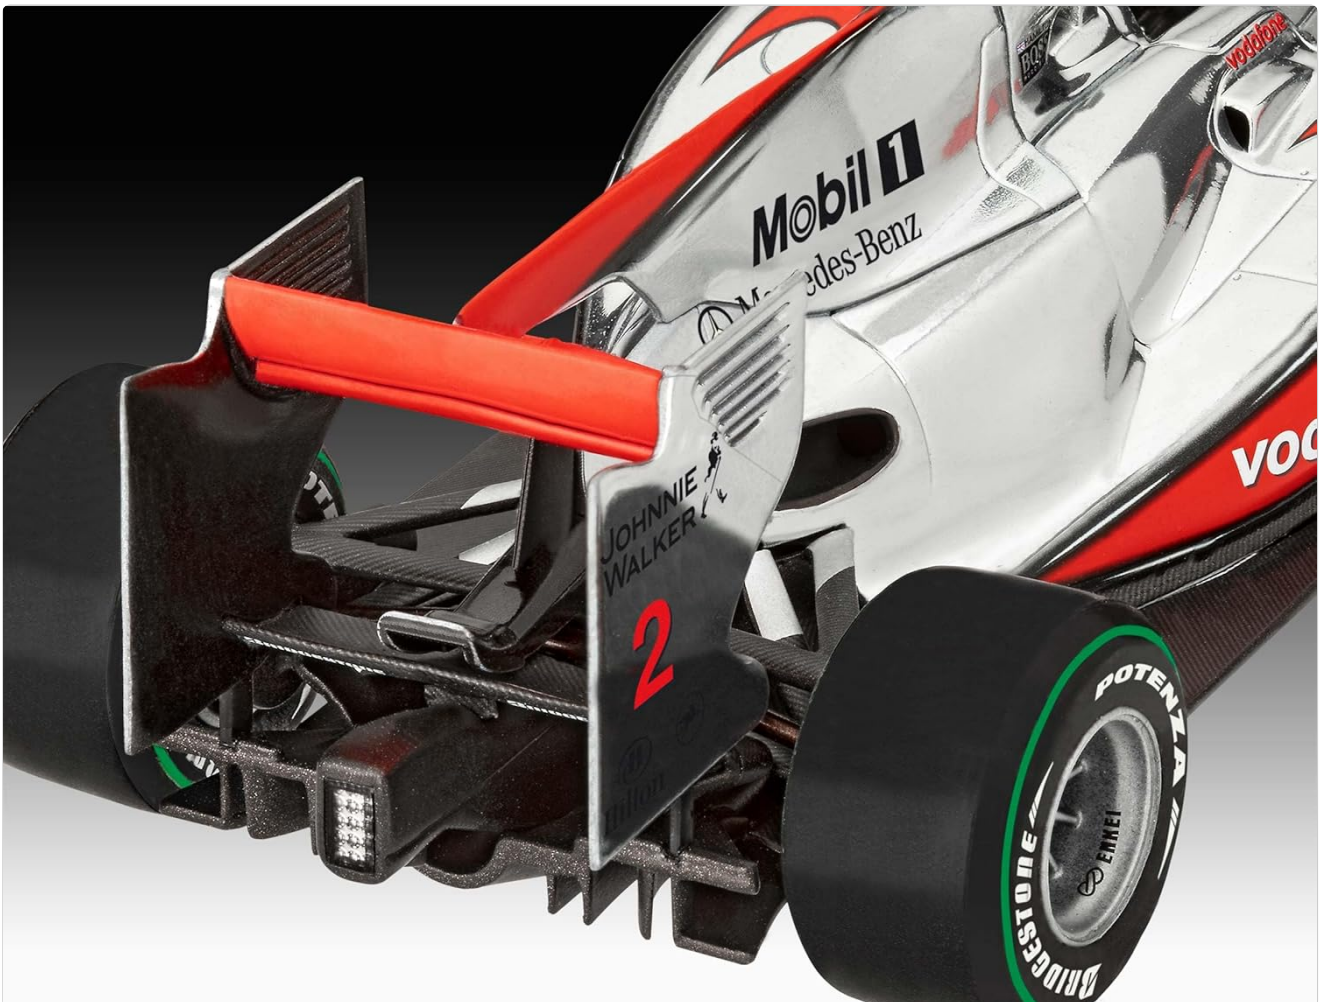

Image 3.2: Close-up of the front wing and tire assembly.

### 3.4 Cockpit and Finishing Touches

Assemble the detailed cockpit. Once the main structure is complete, apply the authentic decals for the chosen GP version (Bahrain, Canada, or Great Britain) as per the guide. Finally, attach the authentic rotating wheels and tires.

## 4. OPERATING AND DISPLAY

Once fully assembled and painted, this Revell model is intended for static display. Handle the model with care to avoid damaging delicate parts or paintwork. The rotating wheels allow for minor repositioning, but the model is not designed for active play.

## 5. MAINTENANCE

To maintain the appearance of your model, periodically dust it with a soft, dry brush or a microfiber cloth. Avoid using water, cleaning solutions, or abrasive materials, as these can damage the paint and plastic components. Keep the model away from direct sunlight and extreme temperatures to prevent fading or warping.

## 6. TROUBLESHOOTING

- **Parts not fitting:** Refer to the illustrated assembly guide to ensure you are using the correct parts and orientation. Small amounts of flash (excess plastic) may need to be carefully trimmed with a hobby knife.
- **Decals not adhering:** Ensure the surface is clean and dry. Use a decal setting solution to help the decals conform to

irregular surfaces and adhere better.

- **Paint issues:** Ensure surfaces are clean before painting. Apply paint in thin, even coats to avoid brush strokes or thick layers. Allow adequate drying time between coats.
- **Missing parts:** Double-check the sprues and packaging. If a part is genuinely missing, refer to the warranty information for replacement options.

## 7. SPECIFICATIONS

---

<b>Brand:</b>	Revell
<b>Model:</b>	McLaren Mercedes MP4-25 No. 2
<b>Scale:</b>	1:24
<b>Material:</b>	Plastic
<b>Number of Pieces:</b>	101
<b>Item Dimensions (L x W x H):</b>	13.74 x 8.27 x 2.56 inches
<b>Item Weight:</b>	0.72 Pounds
<b>Recommended Age:</b>	Adult
<b>Subject Character:</b>	Racing Car

## 8. WARRANTY AND SUPPORT

---

Revell provides a warranty for missing or defective parts. If you encounter any issues with your kit, such as missing or damaged components, please contact Revell customer support for assistance.
