Bear Paws 11001

Bear Paws Meat Claws Model 11001 - Instruction Manual

Brand: Bear Paws | Model: 11001

Introduction

Thank you for choosing Bear Paws Meat Claws. These original, USA-made meat shredder claws are designed to simplify your cooking experience by allowing you to easily lift, shred, pull, and serve various types of meat. Crafted from durable, BPA-free nylon, they are heat-resistant up to 475 degrees Fahrenheit and dishwasher safe, ensuring both safety and convenience.

Product Features

- **Time Saver:** Effortlessly shred pork, chicken, beef, and more without the mess of traditional forks.
- **Meltproof and Dishwasher Safe:** Made of BPA-free nylon, heat-resistant up to 475°F, and safe for dishwasher cleaning.
- **Easy & Fun to Use:** Designed for comfortable handling, allowing you to lift, shred, pull, and carve with ease. Excellent as turkey lifters.
- **Durable Construction:** 100% made in the USA, ensuring quality and strength.

Setup and First Use

Before initial use, wash your Bear Paws Meat Claws thoroughly with warm, soapy water or place them in the dishwasher. Ensure they are completely dry before storing or using.

Operating Instructions

Shredding Meat

For shredding cooked meats such as pulled pork, chicken, or brisket, hold one claw in each hand. Firmly grasp the meat with both claws and use a pulling and twisting motion to separate the fibers. The sharp prongs are designed to efficiently shred meat into desired consistency.

Image: A person demonstrating the shredding technique on a large cut of meat.

Lifting and Serving

Use the claws to safely lift and transfer large, hot pieces of meat from the grill, oven, or slow cooker to a carving board or serving platter. Their sturdy design provides a secure grip, preventing drops and burns.

Other Uses

Beyond meat, these claws can be used for tossing salads, holding large fruits like watermelon steady for slicing, or even scooping charcoal.

Maintenance and Care

Cleaning

Bear Paws Meat Claws are designed for easy cleaning. They are dishwasher safe and can be placed on the top rack. Alternatively, wash them by hand with warm, soapy water and rinse thoroughly. Ensure they are completely dry before storage to maintain hygiene.

Product Specifications

Specification	Detail
Material	Nylon
Color	Black
Product Dimensions	4.5"L x 4.38"W
Handle Material	Nylon
Finish Type	Matte
Is Dishwasher Safe	Yes
Item Weight	4.4 ounces
Item Model Number	11001

Safety Information

Warning: Product is not warranted for any other use than its intended use. No liability is assumed for unintended use. Keep out of reach of children due to sharp points.

Additional Information

Bear Paws is a small business brand. Your purchase supports small businesses.
