# WENKO Pure Wall Shelf Instruction Manual

**Brand:** WENKO

**Model:** PURE (17943100C)

## 1. INTRODUCTION AND OVERVIEW

---

The WENKO Pure wall shelf, made from high-quality plastic, provides significant additional storage space for all your bathroom accessories. Its discreet white elegance seamlessly integrates into any bathroom or toilet. This shelf creates extra room for items such as shower gel, shampoo, soap dispensers, and cups, which might otherwise clutter your sink area.

Key features:

- Ideal wall shelf for placement between the sink and mirror.
- Constructed from stable, high-quality plastic (Acrylonitrile Butadiene Styrene).
- Extra smooth surfaces for quick and hygienic cleaning.
- Includes screws and dowels for secure mounting.
- Dimensions (L x H x D): 58 cm x 5.5 cm x 14 cm.

## 2. SETUP AND INSTALLATION

The WENKO Pure wall shelf is designed for easy wall mounting. Please follow these instructions carefully to ensure secure installation:

1. **Choose Location:** Select an appropriate height for the shelf, ideally between the sink and the mirror, ensuring it is easily accessible and does not obstruct other fixtures.
2. **Mark Drilling Points:** Hold the shelf against the wall at the desired position and use a pencil to mark the locations for the mounting holes. Ensure the shelf is level before marking.
3. **Drill Holes:** Using an appropriate drill bit for your wall type, drill holes at the marked locations. The included dowels are suitable for standard masonry walls.
4. **Insert Dowels:** Gently tap the provided dowels into the drilled holes until they are flush with the wall surface.
5. **Attach Shelf:** Align the shelf's mounting points with the dowels. Insert the screws through the shelf and into the dowels. Tighten the screws until the shelf is firmly secured to the wall. Do not overtighten.

### 4. MAINTENANCE

---

Maintaining your WENKO Pure wall shelf is simple due to its smooth surface. To ensure perfect hygiene and prolong the product's lifespan, follow these care instructions:

- Regularly wipe the shelf with a dry cloth to remove dust and light grime.
- For more thorough cleaning, use a damp cloth with mild soap and water. Avoid abrasive cleaners or harsh chemicals, as these can damage the plastic surface.
- Dry the shelf completely after cleaning to prevent water spots.

## 5. TROUBLESHOOTING

---

This product is a simple wall shelf and typically does not require complex troubleshooting. If you encounter any issues, please consider the following:

- **Shelf not level:** Ensure that the drilling points were marked accurately and that the screws are tightened evenly. You may need to adjust the mounting if the issue persists.
- **Shelf feels loose:** Re-check that the screws are fully tightened into the wall dowels. Ensure the dowels are appropriate for your wall material.
- **Items sliding off:** Ensure the shelf is level. The design includes a slight lip to help contain items, but extreme tilting or heavy vibrations could cause items to shift.
