Homestyle4u 3-Panel Shoji Room Divider Instruction Manual

Model: Homestyle4u_281

1. Introduction

This manual provides essential information for the safe and effective use of your Homestyle4u 3-Panel Shoji Room Divider. This decorative and practical room divider features a solid wood frame with white rice paper panels, designed to enhance interior spaces while offering privacy or defining areas.
Please read these instructions carefully before setup and use, and retain them for future reference.

2. Safety Warnings

CAUTION: To minimize the risk of injury or damage, always place the room divider on a stable, level surface. Avoid using it in exposed locations where it could be easily knocked over, such as high-traffic areas or near open windows with strong drafts.

- Keep away from open flames, heaters, and other heat sources.
- Do not allow children to climb on or play with the room divider.
- Avoid placing heavy objects on top of the divider.
- Handle with care to prevent damage to the delicate rice paper panels.

3. Product Features

- **Design:** 3-panel folding screen with a black wood frame and white Shoji rice paper.
- **Material:** Solid wood frame, covered with durable rice paper.
- **Functionality:** Foldable design for easy storage and versatile placement.
- **Hinges:** Panels are connected with hinges that allow folding in both directions.
- **Stability:** Designed for stable freestanding use.

5. Setup and Assembly

The Homestyle4u 3-Panel Shoji Room Divider comes pre-assembled and ready for immediate use. No complex assembly is required.

1. **Unpacking:** Carefully remove the room divider from its packaging.
2. **Placement:** Choose a stable, level surface for placement, away from high-traffic areas or strong drafts.
3. **Unfolding:** Gently unfold the panels to your desired configuration. The hinges allow the panels to pivot in both directions, offering flexibility in arrangement.
4. **Stability Check:** Ensure the divider stands firmly on its own before leaving it unattended. Adjust the panel angles slightly to achieve optimal stability.

6. Operating Instructions

The room divider is designed for simple operation to create privacy or define spaces.

- **Adjusting Position:** The three panels are connected by hinges that allow them to be folded or extended. You can arrange the panels in a straight line, a zig-zag pattern, or a U-shape to best suit your needs and space.
- **Folding for Storage:** When not in use, the divider can be folded compactly for storage. Simply fold the panels flat against each other.

Figure 4: The room divider shown partially folded, illustrating the flexibility of its hinges for various configurations.

Figure 5: A close-up of the double-action hinges, which allow the panels to fold in either direction.

7. Maintenance

Proper care will ensure the longevity and appearance of your room divider.

- **Cleaning the Frame:** Wipe the wooden frame with a soft, dry, or slightly damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning the Rice Paper:** The rice paper panels are delicate. Gently dust them with a soft, dry cloth or a feather duster. Do not use water or liquid cleaners on the rice paper.
- **Protection:** Keep the divider away from direct sunlight for prolonged periods to prevent fading or damage to the wood and rice paper. Avoid high humidity environments.
- **Inspection:** Periodically check the hinges and frame for any signs of wear or damage.

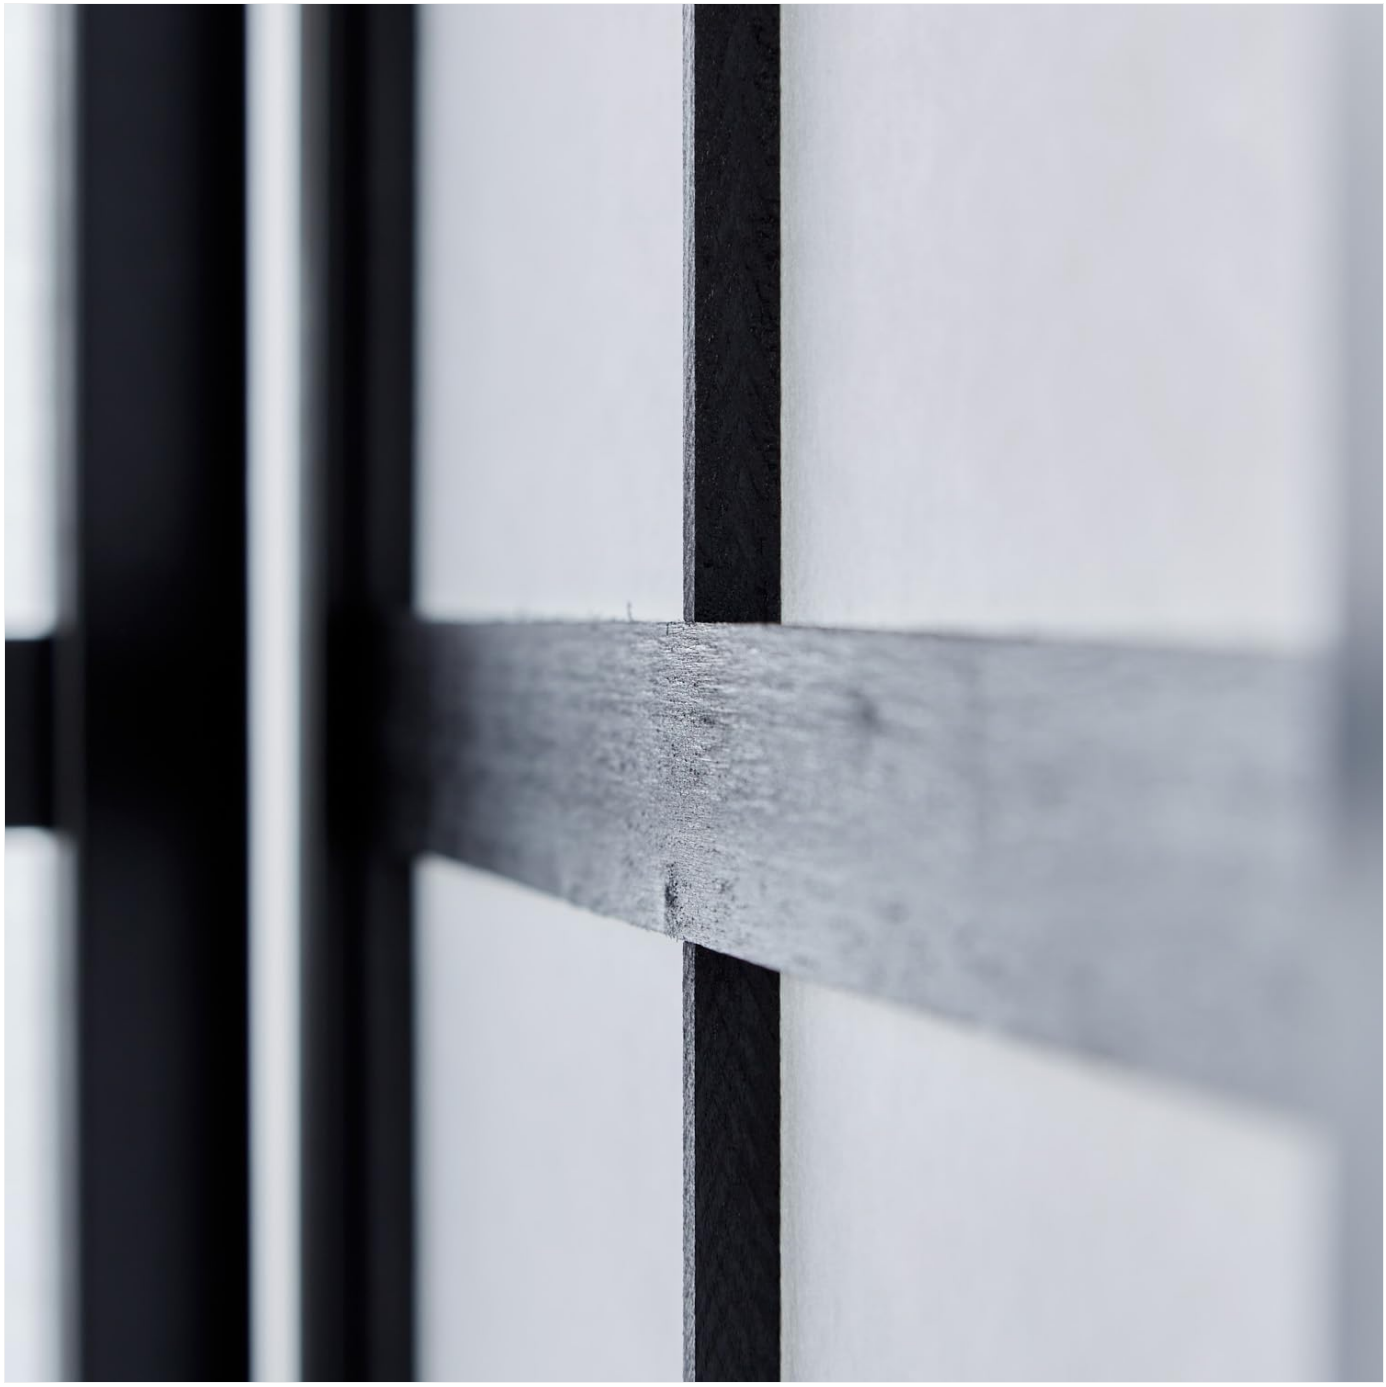

Figure 6: A close-up view of the black wood frame and the textured white rice paper, highlighting the materials that require gentle cleaning.

8. Troubleshooting

- **Instability:** If the room divider feels unstable, ensure it is placed on a flat, level surface. Adjust the angles of the panels to create a wider base or a more pronounced zig-zag shape, which typically increases stability. Avoid placing it in areas prone to vibrations or accidental bumps.
- **Damaged Rice Paper:** The rice paper is delicate. If minor tears occur, clear adhesive tape can be carefully applied from the back for a temporary repair. For significant damage, consider professional repair or replacement if available.
- **Stiff Hinges:** If hinges become stiff, apply a small amount of silicone-based lubricant to the hinge pins. Avoid oil-based lubricants that might stain the wood.

9. Warranty and Support

Your Homestyle4u 3-Panel Shoji Room Divider comes with a**24-month warranty** from the date of purchase. Please

retain your invoice as proof of purchase for any warranty claims.
For support or warranty inquiries, please contact your retailer or the manufacturer, Homestyle4u, directly. Information regarding spare parts availability is currently not provided.
