Mephisto Hurrikan Moccasin

Mephisto Men's Hurrikan Moccasin Instruction Manual

Model: Hurrikan Moccasin

INTRODUCTION

Thank you for choosing the Mephisto Men's Hurrikan Moccasin. These shoes are crafted with attention to detail and designed for exceptional comfort and durability. Featuring Mephisto's signature SOFT-AIR Technology and removable insoles, they are engineered to reduce walking shock, protecting your feet, joints, and vertebrae. Each pair is handmade by master shoemakers in Europe, ensuring superior quality.

This manual provides essential information for the proper use, care, and maintenance of your Hurrikan Moccasins to ensure their longevity and your continued comfort.

INITIAL SETUP AND FIRST WEAR

Upon receiving your Mephisto Hurrikan Moccasins, inspect them for any manufacturing defects.

- **Fitting:** Ensure the shoes fit comfortably. Mephisto shoes are designed to provide immediate comfort, but a short break-in period may be beneficial for optimal adaptation to your foot shape.
- **Lacing:** Adjust the leather laces to achieve a secure yet comfortable fit. The moccasin design allows for a flexible fit that conforms to your foot.
- **Removable Insoles:** The Hurrikan Moccasins feature removable insoles. If you use custom orthotics, you can easily replace the original insoles with your own.

WEARING AND COMFORT

The Mephisto Hurrikan Moccasin is engineered for all-day comfort.

- **SOFT-AIR Technology:** The flexible and soft SOFT-AIR midsole minimizes the impact of walking, providing protection for your feet, joints, and spine.
- **Natural Materials:** Crafted from 100% leather, these shoes offer breathability and adapt to your foot over time for a personalized fit.
- **Versatility:** Suitable for various casual and semi-casual occasions, offering comfort without compromising style.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Mephisto Hurrikan Moccasins.

Cleaning

- **Leather Upper:** For general cleaning, wipe the leather with a soft, damp cloth to remove dust and light dirt. For deeper cleaning, use a high-quality leather cleaner specifically designed for smooth leather. Apply sparingly and follow the product instructions.
- **Soles:** Clean the rubber soles with a damp cloth or a soft brush to remove any accumulated dirt.
- **Insoles:** The removable insoles can be gently wiped clean. Allow them to air dry completely before reinserting.

Conditioning and Protection

- **Leather Conditioner:** Periodically apply a quality leather conditioner to keep the leather supple and prevent drying or cracking. This is especially important if the shoes are frequently exposed to moisture or dry conditions.
- **Water Protection:** Consider using a water and stain repellent spray suitable for leather to protect your shoes from the elements.

Storage

- Store your shoes in a cool, dry place away from direct sunlight and extreme temperatures.
- Use shoe trees to help maintain their shape and absorb moisture when not in use.

TROUBLESHOOTING COMMON ISSUES

While Mephisto shoes are built for durability, here are some common issues and solutions:

- **Squeaking:** If your shoes squeak, it might be due to moisture trapped between the insole and the sole. Remove the insoles, clean and dry both the insoles and the shoe interior thoroughly. A light dusting of talcum powder under the insole can also help.
- **Discomfort:** If you experience discomfort, re-evaluate the lacing to ensure it's not too tight or too loose. Ensure your socks are appropriate for the shoe. If discomfort persists, consider consulting a footwear specialist.
- **Scuffs and Minor Damage:** For minor scuffs on leather, a good quality shoe polish matching the shoe's color can often restore the appearance. For deeper damage, professional shoe repair is recommended.
- **Odor:** To prevent odor, allow shoes to air out between wears. Use shoe deodorizers or baking soda sprinkled inside the shoes overnight (remove before wearing). Ensure insoles are clean and dry.

SPECIFICATIONS

| Feature | Detail |
|----------------|---------------------------------------|
| Model | Hurrikan Moccasin |
| Fabric Type | 100% Leather |
| Outer Material | Leather |
| Sole Material | Rubber |
