**Airtight,
watertight,
leakproof seal**

The shaker features an airtight, watertight, and leakproof seal, ensuring no spills during mixing or storage.

INITIAL SETUP

1. **Unpack:** Carefully remove the Salad Dressing Shaker from its packaging.
2. **Wash:** Before first use, wash all parts of the shaker with warm, soapy water or place them in the dishwasher. Rinse thoroughly and allow to dry completely.
3. **Assemble:** Ensure the top and base are securely screwed together before adding ingredients.

Add your desired ingredients into the shaker's wide opening.

OPERATING INSTRUCTIONS

1. **Add Ingredients:** Unscrew the top from the base. Add your desired dressing ingredients, using the measurement markings on the side for accuracy.
2. **Secure Lid:** Screw the top back onto the base firmly until it is securely sealed.
3. **Shake:** Ensure the top lever is flipped forward to the closed position. Shake the container vigorously to thoroughly mix and emulsify your dressing.
4. **Pour:** To dispense, simply flip the top lever back to open the pour spout. Pour the desired amount of dressing over your salad or food.
5. **Store:** After use, flip the lever forward to seal the spout. The shaker can then be stored in the refrigerator.

MAINTENANCE

The OXO Good Grips Salad Dressing Shaker is designed for easy cleaning. It is dishwasher safe, making cleanup simple and convenient. For best results, place on the top rack of your dishwasher. Ensure all parts are thoroughly dry before reassembling and storing.

The shaker's design allows for convenient storage in the refrigerator, keeping dressings fresh.

TROUBLESHOOTING

- **Leaking during shaking:** Ensure the top is screwed on tightly and the pour lever is fully flipped forward to the closed position. Check the rubber seal for any debris or damage.
- **Difficulty pouring:** If the dressing is too thick, add a small amount of liquid (e.g., water, vinegar, or oil) and re-shake to achieve a thinner consistency. Ensure the pour lever is fully flipped back.
- **Stains or odors:** For stubborn stains or odors, soak the shaker in a solution of warm water and baking soda before washing.
