Fila 1 °F60 M49001 Positano Large Mens Sneaker User Manual

Model: 1F60M49001

INTRODUCTION

Welcome to the user manual for your Fila 1 °F60 M49001 Positano Large Mens Sneaker. This guide provides essential information on the proper use, care, and maintenance of your footwear to ensure longevity and comfort. The Fila Positano sneaker is designed for everyday wear, featuring a durable rubber sole, leather outer material, and fabric inner lining for optimal comfort and support.

SETUP AND FIRST USE

Your Fila Positano sneakers are ready for use right out of the box. Follow these steps for optimal comfort and fit:

- 1. **Unboxing:** Carefully remove the sneakers from their packaging. Inspect them for any visible defects or damage.
- 2. **Lacing:** The sneakers feature a lace-up closure. Adjust the laces to achieve a snug yet comfortable fit. Ensure the laces are evenly tightened across the foot to prevent pressure points.
- 3. **Initial Wear:** Wear the sneakers for short periods initially to allow them to conform to your foot shape. This helps in breaking them in comfortably.

OPERATING INSTRUCTIONS (WEARING)

The Fila Positano sneaker is designed for casual and everyday use. To ensure proper wear and extend the life of your sneakers:

- **Footwear Purpose:** These sneakers are intended for general walking and casual activities. They are not designed for specialized athletic performance unless otherwise specified.
- **Proper Fit:** Always ensure your foot is properly seated within the shoe. An ill-fitting shoe can lead to discomfort and premature wear. Refer to the size guide if unsure about your size.
- **Sock Usage:** It is recommended to wear socks with your sneakers to absorb moisture and reduce friction, contributing to better hygiene and comfort.

MAINTENANCE AND CARE

Proper maintenance will help preserve the appearance and extend the lifespan of your Fila Positano sneakers. Follow these guidelines:

• **Cleaning the Outer Material (Leather):**

For light dirt, wipe the leather surface with a soft, damp cloth. For more stubborn stains, use a specialized leather cleaner according to its instructions. Avoid harsh chemicals or abrasive materials.

• **Cleaning the Inner Material (Fabric):**

The fabric inner lining can be gently cleaned with a mild soap solution and a soft brush. Allow to air dry completely.

• **Sole Cleaning (Rubber):**

The rubber sole can be cleaned with a brush and mild soap and water. Rinse thoroughly.

• **Drying:**

Always air dry your sneakers at room temperature. Do not use direct heat sources like radiators or hair dryers, as this can damage the materials.

• **Storage:**

Store sneakers in a cool, dry place away from direct sunlight. Using shoe trees can help maintain their shape.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Fila Positano sneakers.

Problem	Possible Cause	Solution
Squeaking Sound	Moisture inside the shoe or between sole layers; new sole material.	Ensure shoes are completely dry. If new, the sound may diminish with wear.
Unpleasant Odor	Accumulation of sweat and bacteria.	Air out shoes regularly. Use odor-absorbing inserts or sprays. Ensure socks are worn.
Discomfort/Rubbing	Incorrect sizing; improper lacing; new shoe break-in period.	Verify correct size. Adjust lacing for a comfortable fit. Allow time for shoes to break in. Consider thicker socks.
