OttLite K30PNA Wingshade Table Lamp User Manual

Model: **K30PNA** | Brand: **OttLite**

INTRODUCTION

Thank you for purchasing the OttLite K30PNA Wingshade Table Lamp. This manual provides essential information for the safe and efficient operation, setup, and maintenance of your new lamp. Please read this manual thoroughly before use and retain it for future reference.

The OttLite K30PNA lamp is designed to provide clear, comfortable illumination, featuring a flexible gooseneck for adjustable light direction and a built-in pen/pencil holder for added convenience.

IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:

- Read all instructions before using the lamp.
- To reduce the risk of electric shock, do not immerse the cord, plug, or the lamp unit in water or other liquid.
- Do not operate the lamp with a damaged cord or plug, or if the lamp malfunctions or has been damaged in any manner.
- This lamp is for indoor use only. Do not expose to rain or moisture.
- Always unplug the lamp from the electrical outlet before cleaning or changing the bulb.
- Allow the bulb to cool completely before touching it.
- Use only the specified bulb type and wattage.
- Keep the lamp away from flammable materials.
- Do not attempt to modify or repair the lamp yourself. Refer all servicing to qualified service personnel.

SETUP

Your OttLite K30PNA lamp comes pre-assembled, requiring minimal setup.

1. **Unpacking:** Carefully remove the lamp from its packaging. Retain packaging materials for future storage or transport.
2. **Placement:** Place the lamp on a stable, flat surface. Ensure the power cord can reach a suitable electrical outlet

without being strained or obstructed.

3. Bulb Installation (if not pre-installed):

- Ensure the lamp is unplugged.
- Carefully insert the 13-Watt tube bulb into the lamp socket, aligning the pins with the slots. Push firmly until it clicks into place.

4. Power Connection: Plug the power cord into a standard electrical outlet.

OPERATING INSTRUCTIONS

- 1. Turning On/Off:** Locate the power switch on the base of the lamp. Press the switch to turn the lamp ON or OFF.
- 2. Adjusting the Light:** The lamp features a flexible gooseneck. Gently bend and position the gooseneck to direct the light exactly where needed. The lamp head can also be swiveled for optimal illumination.

3. **Using the Pen/Pencil Holder:** The base of the lamp includes a convenient holder for pens, pencils, or other small office supplies.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your lamp.

- **Cleaning:**

- Always unplug the lamp before cleaning.
- Wipe the lamp's exterior surfaces with a soft, dry cloth.
- Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.

- **Bulb Replacement:**

- Ensure the lamp is unplugged and the bulb has cooled completely.

- Gently twist and pull the old 13-Watt tube bulb from the socket.
- Insert a new OttLite 13-Watt tube bulb (Type E) into the socket, aligning the pins and pushing until it clicks into place.
- Dispose of old bulbs according to local regulations.
